- Explain and apply HUD regulations and guidance to determining eligibility, the intake process, occupancy, and rent calculation in the housing choice voucher (HCV) program
- Identify and explain key program components
- Describe factors of eligibility, waiting list requirements, and preferences
- Describe and explain the process of voucher issuance
- Describe the various aspects of the leasing process in its entirety
- Analyze and describe the processes associated with annual activities
- Describe and analyze reasons for terminations and the informal hearing process
- Explain and discuss the concept of portability, the challenges it presents, and the expectations for housing authorities on both ends of the process
- Read and interpret form HUD-50058 and its accompanying instructions
- Identify and calculate annual income
- Identify assets and calculate income from assets
- Calculate adjusted income by correctly deducting HUD-defined allowances and expenses from annual income
- Recognize the requirements for verification of income, allowances, and expenses
- Calculate gross rent and maximum rent at initial occupancy
- Calculate the HAP and family share for an HCV family using the payment standard, utility allowance, and gross rent
- Calculate prorated rent for mixed families
