Good morning. HUD posted the CY 2019 Excel Tools for the Forms HUD-57223 and HUD-52722 to the Operating Fund (OpFund) Web Portal (as of 3/13/2019). While HUD posted the PHA tools ahead of schedule, PHAs still have until April 9, 2019 to submit completed tools to their Field Offices. PHAs must submit tools by email to their Field Office on or before April 9, 2019.

To find the tools in the OpFund Web Portal:

1. Navigate to the PHA Form 52723/52722 Reporting Module
2. Click the 52723/52722 Tool Download dropdown menu
3. Click PHA Tool Download

The OpFund Portal is accessed through HUD's Secure System. If you don't have access to the OpFund Web Portal, contact your authority's WASS coordinator. Your WASS coordinator can provide you and your staff with access. Once in the Portal, users must create and validate their user profile in order to navigate the Portal. You can find the user profile guide and WASS role assignment guide at the URL:
