Subject: REMINDER: CY VMS Validation Period - Deadline for Submission and Revisions

Dear Executive Director,

In anticipation of the CY 2018 Appropriations Act, or other funding vehicle as determined by Congress, HUD is hereby notifying all participating public housing agencies (PHAs) that the CY 2018 HCVP renewal funding will be based on actual, eligible housing assistance payment (HAP) expenses incurred during CY 2017, as reported by your PHA in the Voucher Management System (VMS).

Be reminded that the **deadline** for submitting all CY 2017 VMS data and revisions for purposes of funding allocations will be **Monday, January 22, 2018**, consistent with prior years' guidance, and also the due date for the December 2017 submissions.

Thank you,

Miguel A. Fontáñez

Director

Financial Management Division
