

**U.S. DEPARTMENT OF HOUSING  
AND URBAN DEVELOPMENT**

WASHINGTON, DC 20410-5000

Greetings,

We are excited to announce that our name has changed as of January 8, 2018, from Oversight and Evaluation Division (OED) to the **Inspection Standards & Data for Vouchers (ISDV) Division**. We remain committed to the implementation of the UPCS-V Demonstration Pilot, with the mission to ensure that federally-assisted families reside in housing that is decent, safe, and sanitary.

The renaming to **ISDV** serves to align the division's name with our team's mission, culture, services and philosophy. In keeping with our commitment to the Demonstration Pilot in 2018, our team will continue to:

- Maintain a culture of transparency and collaboration with PHAs and other key stakeholders.
- Develop innovative ways to streamline inspection processes for inspectors that are accurate, consistent and objective.
- Enhance owners and tenants access to detailed information about their homes.

We would like to thank you for your continued support of the UPCS-V Demonstration Pilot. Please continue to stay connected with us, and please take note of the “new” address for the ISDV Division website and the “new” ISDV Division email inbox address, both listed below.
