Subject: Federal Fiscal Year 2017 Funding Provisions for the Housing Choice Voucher Program – Award of Remaining Set-Aside Funds

Dear Executive Director:

The link to Notice [PIH 2017-26 \(HA\)](#) announces the process that HUD will use to award the limited amount of funding remaining from the Federal Fiscal Year (FFY) 2017 Housing Assistance Payments (HAP) Set-aside (approximately \$15 million) that was not awarded under the initial application process previously set forth in Notice PIH 2017-10. This remaining portion of set-aside funding is available for increased portability costs where the initial agency is in a Major Disaster Declaration area, established between August 25, 2017 to December 31, 2017. **Only 2017 costs will be considered for funding. Increased costs for portability for 2018 will be addressed in a subsequent notice.**

The Department will apply on behalf of non-operational PHAs in a Major Disaster Declaration area, established between August 25, 2017 and December 31, 2017, that are listed non-operational at the time of the publication of this notice, Tuesday, December 5, 2017. Non-operational is defined as PHAs that do not have the ability to make payments regardless of access to phone and/or email as well as any PHAs that have not responded to either the Office of Field Operations (OFO) or their Field Office to confirm the PHA's operational status.

Applications will be accepted until all available 2017 Set-aside funding is depleted.
