U.S. Department of Housing and Urban Development

Program Office: Public and Indian Housing
Funding Opportunity Title: Family Self-Sufficiency Program
Announcement Type: Initial
Funding Opportunity Number: FR-5900-N-04
Primary CFDA Number: 14.896
Due Date for Applications: **07/27/2015**

This Notice announces the availability of funding of approximately \$75 million for salaries of program coordinators for the Department of Housing and Urban Development's (HUD's) Fiscal Year (FY) 2015 Family Self-Sufficiency (FSS) Program.

As in FY 2014, funding for FSS coordinators that serve Housing Choice Voucher (HCV) participants and/or Public Housing (PH) participants will be made available under this Notice; there are no longer two separate Notices of Funding Availability (NOFAs) for the HCV FSS program and the PH FSS program. This means that any applicant that submitted two separate applications in previous years (one for HCV FSS and one for PH FSS) will only submit one application this year. See Section II.A.2 of this NOFA "Combined FSS Funding Streams" for more information.

Due to the limited funding available, the Department will only fund applicants currently administering an FSS program that also meet one of the following criteria:

- the applicant was funded under any of the FY 2012, FY 2013, and/or the FY 2014 FSS NOFAs; or
- the applicant received an FSS program through a transfer or consolidation from a Public Housing Agency (PHA) that was funded under such NOFAs.

If funding remains after all eligible applicants are funded for renewal positions (i.e., positions funded under any of the FY 2012 FY 2013, and/or the FY 2014 FSS NOFAs), funding will be made available to eligible applicants for a funding increase for part-time renewal positions that are increasing to a full-time position and for new FSS coordinator positions (positions that were not funded in FY 2012, FY 2013, or FY 2014) as described in Section V.B.1 of this NOFA "Funding Priority Categories".

Please read this entire NOFA carefully to ensure all threshold and eligibility requirements are met (otherwise the applicant will be ineligible for funding), and that the program requirements listed in this NOFA are followed.

A list of common mistakes for which applications were found ineligible or not processed in previous FSS competitions is provided as Appendix A. Please read this appendix carefully; it is intended to serve as a guide so that applicants do not repeat such mistakes under this NOFA. Please note, however, that this list of common mistakes is not intended to provide the applicant with all of the information needed to be successful in the application registration and submission process. Applicants are advised to read HUD's FY 2015 General Section and to use the checklists, user guides, and other help features located at the System for Award Management (SAM) and Grants.gov websites.

In the FY 2014 FSS NOFA the Department announced its intent to rate and rank applicants, starting with the FY 2015 FSS NOFA, based on FSS participants' increased earned income. The Department solicited and received feedback on the proposal from several PHAs. After consideration of the comments received, the Department has determined not to implement the proposed rating and ranking factor in this FY 2015 FSS competition. However, the Department plans to further evaluate alternatives for rating and ranking

applicants, which the Department may implement starting with the FY 2016 FSS NOFA, subject to appropriations.

FOR FURTHER INFORMATION CONTACT: Please direct questions regarding the specific program requirements of this Program Notice of Funding Availability (NOFA) to the agency contact identified in Section VII. Please direct questions regarding the FY 2015 General Section to the Office of Strategic Planning and Management, Grants Management Division, at (202) 708-0667 (this is not a toll-free number). Persons with hearing or speech impairments may access these numbers via TTY by calling the Federal Relay Service at 1-800-877-8339.

Additional Overview Information

1. Incorporation of the General Section. HUD publishes a General Section each fiscal year that contains mandatory requirements for all applicants to HUD's various competitive grant programs, including this NOFA. Applications must meet all of the requirements of the General Section in addition to the requirements of this NOFA to be considered and potentially receive funding. The full title of the General Section is the General Section to the Fiscal Year 2015 NOFAs for Discretionary Programs. Copies are available at Grants.gov or HUD's Funds Available page, http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail.

2. OMB Approval Number(s):

2577-0178

I. Funding Opportunity Description.

A. Program Description.

1. Purpose.

a. Overview. The purpose of the FSS program is to promote the development of local strategies to coordinate the use of assistance under the HCV and PH programs with public and private resources to enable participating families to increase earned income and financial literacy, reduce or eliminate the need for welfare assistance, and make progress toward economic independence and self-sufficiency. PHAs or tribes/Tribally Designated Housing Entities (TDHEs) that administer FSS programs enter into five-year contracts with new families on an ongoing basis. The FSS contract spells out the terms and conditions governing participation and the responsibilities of both the PHA (or tribe/TDHE) and the family. As required by the FSS statute and regulations, each FSS program reflects local needs and resources. PHAs are not permitted to limit FSS participation to those families most likely to succeed because of current education level or job history.

The FSS program supports the Department's strategic goal of utilizing housing as a platform for improving quality of life by helping HUD-assisted renters increase their economic security and self-sufficiency. The FSS program provides critical tools that can be used by communities to help families develop new skills that will lead to economic self-sufficiency. By having an FSS coordinator whose primary responsibility is to guide and connect participants to needed training and resources, FSS participants gain access to the support they need in order to achieve their self-sufficiency goals and move up the economic ladder. HUD is aware of the many variables facing FSS programs including local job markets, varying availability of services, and significant barriers to employment faced by many participants. In spite of these challenges, the majority of families begin to earn FSS escrow credits during the term of their FSS contracts based on increases in their earned income after entering the FSS program. Many families participating in FSS have achieved stable employment which has made it possible for them to become homeowners or move to other non-assisted rental housing.

Research suggests that the FSS program helps self-selected families to secure employment, increase wages and accumulate assets. In a study conducted by HUD's Office of Policy Development and

Research, 181 FSS participant outcomes were assessed from 2005 to 2009. The report found that during that period, program graduates were more likely to be employed and had higher incomes than non-program graduates. The average annual income for FSS graduates had increased from \$19,902 to \$33,390, while the average annual income of households who exited and were not FSS graduates only increased from \$15,551 to \$15,918. The average escrow balance of graduates in that study was \$5,294, more than double the escrow balance of households who exited and were not FSS graduates. The first national evaluation of FSS conducted by HUD which covered the period from 1996-2000 revealed that the median income for FSS families increased 72 percent during participation in the FSS program, while a similar group of non-FSS participants' median incomes increased by only 36 percent during the same period. In addition to these studies, HUD plans to complete a rigorous longitudinal evaluation by 2018 of the FSS program by controlling for self-selection, which would provide a more definitive evidence base for the program's effectiveness.

b. Responsibilities of FSS Program Coordinators. An FSS Program Coordinator must:

(1) Build partnerships with employers and service providers in the community and work with the Program Coordinating Committee (PCC) and with such local service providers to ensure that FSS program participants are linked to the supportive services they need to achieve self-sufficiency, including services for participants with limited English proficiency. See Section I.A.3 of this NOFA ("Definitions") for the definition of PCC. For more information on Partnerships and Collaborations, See [Notice PIH 2011-51](#) and for more information on partnerships between PHAs and Department of Labor Workforce Investment Boards/One Stops, see "From the Ground Up: Creating Partnerships between Public Housing Authorities and Workforce Investment Boards" at <https://www.workforce3one.org/view/5001417448285409284/info>.

(2) Prepare an Individual Training and Services Plan for the head of the FSS family and each adult member of the FSS family who elects to participate in the FSS program.

(3) Ensure that the services included in the participants' contracts of participation are provided on a regular, ongoing and satisfactory basis; that participants are fulfilling their responsibilities under the contracts; and that FSS escrow accounts are established and properly maintained for eligible families. FSS coordinators may also perform job development functions (e.g. outreach to potential employers) for the FSS program.

(4) Monitor the progress of participants and evaluate the overall success of the program.

FSS Coordinators are encouraged to ensure that participants have greater access to financial education/literacy/empowerment/coaching programs that will help them acquire the knowledge and skills to make informed and effective decisions that ultimately help them reach their goals, and achieve self-sufficiency and financial stability. This includes partnering with organizations that can conduct financial education workshops that cover topics such as credit, debt, savings, budgeting, asset building and banking services; and/or organizations that can provide financial coaching. For information on financial literacy tools and resources available to help HUD-assisted families enhance their financial literacy and asset building skills, please see [Notice PIH 2014-26 \(HA\)](#).

c. Staffing Guidelines. Under normal circumstances, a full-time FSS Program Coordinator should be able to serve approximately 50 FSS participants, depending on the coordinator's case management functions. While this NOFA requires at least 25 FSS participants to qualify for one full-time FSS Coordinator position (see Section III.C.4.f of this NOFA "Eligibility Requirement: Number of FSS families served" for more information), grantees are encouraged to serve at least 50 FSS participants per full-time coordinator position.

d. Outreach. Grantees are encouraged to reach out to persons with disabilities and to persons with limited English proficiency who are PH or HCV program participants and might be interested in participating in the FSS program, and to include agencies that work with and provide services to families with disabilities and agencies that work with and provide services to persons with limited English proficiency on their FSS Program Coordinating Committee (PCC). Additionally, grantees are encouraged

to reach out to formerly homeless persons, veterans, and formerly incarcerated persons.

e. Coordination between Programs with Services or Service Coordination. Grantees that are located in a jurisdiction that receives multiple sources of funding (from the programs listed below) to serve the same population or geographic area, should coordinate among those programs, where appropriate, so as to leverage shared resources, avoid duplication of services, and improve access and service delivery to participating families: ROSS Service Coordinators (ROSS-SC), Jobs Plus, HOPE VI Revitalization, Choice Neighborhoods, Elderly/Disabled Service Coordinators, HUD-VASH, Family Unification Program (FUP) vouchers, Multi-Family Service Coordinators, Housing Opportunities for Persons With AIDS (HOPWA), Continuum of Care programs and/or other special use housing assistance with services or service coordination. One example of coordination is a PHA that administers both FSS and ROSS-SC programs using a single Program Coordinating Committee. Coordination between programs should be conducted by and between program coordinators or other program management staff.

2. Changes from Previous NOFA.

Please note that this Section highlights only the major changes from the previous FSS NOFA. Applicants should read this entire NOFA carefully to ensure that all threshold and eligibility requirements are met (otherwise the applicant will be ineligible for funding), and that the program requirements listed in this NOFA are followed.

No Rental Assistance Demonstration (RAD) Priority: under the FY 2014 FSS NOFA PHAs that had committed to provide vouchers under RAD's Choice-Mobility Commitment to the covered Project-Based Rental Assistance (PBRA) project of a PHA or Mod Rehab owner without a voucher program were given priority for new FSS positions if funding remained after eligible FSS applicants were funded for the renewal of existing coordinator positions (positions funded under the FY 2011, FY 2012, and/or FY 2013 HCV FSS and/or PH FSS NOFA). Of 751 applicants under the FY 2014 competition, 2 applicants were found by HUD to be eligible for the RAD priority. Additionally, no PHA with RAD priority was funded for new positions due to the lack of resources. Consequently, HUD has determined to remove the RAD priority and any funding categories related to such RAD priority from this FSS NOFA. The RAD priority has also been removed from the revised RAD notice, PIH 2012-32, Rev-2 "Rental Assistance Demonstration – Final Implementation, Revision 2".

Funding Category for Applicants Going from a Part-time Renewal Position to a Full-time Position: a new funding category has been established for funding increases for renewal positions that are increasing from a part-time to a full-time position as described under Section V.B.1 "Funding Priority Categories" of this NOFA. Eligible applicants will be funded under this category only if funding remains after all eligible renewal coordinator positions are funded. See Section V.B.1 "Funding Priority Categories" of this NOFA for more information.

PBRA Residents: PHAs and/or PBRA owners may, as of the FY2015 appropriations law (Pub. L. No. 113-235, enacted December 16, 2014), offer enrollment in FSS to residents in projects converted to PBRA that were not enrolled in the FSS program prior to the RAD conversion and to any other residents at the project. PBRA owners that are not PHAs may implement their own FSS programs but are not eligible to compete for funding under this NOFA. PHAs awarded funds under this NOFA may serve any PBRA resident (affected by RAD or not) under their FSS programs with funds awarded under this NOFA. See Section III.C.1.d "Rental Assistance Demonstration" of this NOFA for more information.

Logic Model Reporting: in the past, grantees submitted an annual Performance Report to the area ONAP/Public Housing Director in the recipient's local HUD field office no later than 30 days after the ending date of the one-year funding term under the applicable FSS NOFA. The annual performance report consists of the updated Logic Model (HUD_96010) and answers to the Logic Model Program Management and Evaluations Questions. The reporting period covered the one-year funding term under

the applicable FSS NOFA. Under this NOFA, grantees will submit the annual Performance Report to the area ONAP/Public Housing Director in the recipient's local HUD field office no later than January 30, 2017, unless granted an extension by HUD. The reporting period will cover the 2016 Calendar Year (1/1/2016-12/31/2016).

Eligibility Requirement: Number of FSS families served: as indicated in the FY 2014 FSS NOFA, starting with the FY 2015 FSS NOFA, the number of FSS families served will be assessed based on an applicant's overall FSS program. See Section III.C.4.f "Eligibility Requirement: Number of FSS families served" of this NOFA for more information.

3. Definitions.

a. Eligibility Requirements – Eligibility requirements are those requirements that must be met for an application to be eligible for funding. Deficiencies in meeting an eligibility requirement may be categorized as either curable or non-curable.

b. Threshold Requirement – Threshold requirements are a category of eligibility requirements. A threshold requirement is a requirement that must be met in order for an application to be reviewed. Threshold requirements are not curable.

Threshold requirements are listed in Section III.C.2. of both the 2015 General Section and in this Program NOFA.

Applicants must ensure their application package addresses all threshold requirements. Please check your application carefully!

c. Deficiency – Deficiencies are not the same as errors. Errors are never curable except as permitted under Section IV.C.2. Deficiencies are items of missing or omitted information within a submitted application. Deficiencies typically involve missing documents, information on a form, or some other type of unsatisfied information requirement (e.g., an unsigned form, unchecked box, etc.). Depending on specific criteria, deficiencies may be either curable or non-curable.

d. Curable Deficiency – A curable deficiency is a specific type of deficiency that applicants may correct with timely action. To be curable the deficiency must:

- Not be a threshold requirement;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.

e. Non-Curable Deficiency – An applicant cannot correct a non-curable deficiency after the submission deadline. Non-curable deficiencies are deficiencies that if corrected would change an applicant's score or rank versus other applicants. Non-curable deficiencies may result in an application being marked ineligible, or otherwise adversely affect an application's score and final determination.

f. Action Plan. The Action Plan describes the policies and procedures of the PHA or tribe/TDHE for operation of a local FSS program. For a full description of the information that the Action Plan must contain, please see 24 CFR 984.201.

g. Cap on Funding Amount for Renewal Positions. Means the most recent funding amount (i.e., FY 2014 FSS funding, or FY 2013 or FY 2012 PH FSS funding **plus** FY 2013 or FY 2012 HCV FSS funding, as applicable). If funding was prorated under such NOFAs, funding will be considered as the eligible amount before any proration. See Section IV.F.2 of this NOFA "Limitation on Funding Increases for Renewal Positions" for more information.

h. Cap on Number of Renewal Positions. Equals the most recent number of FSS program coordinator positions funded (i.e., FY 2014 FSS program coordinator positions, or FY 2013 or FY 2012 HCV FSS program coordinator positions **plus** FY 2013 or FY 2012 PH FSS program coordinator positions, as applicable). Please note that this cap is applicable to renewal positions, which are funded under funding

category 1. See Sections IV.F.3 and III.C.4.g of this NOFA "Cap on Number of Renewal Positions" and V.B.1 "Funding Priority Categories" for more information.

i. Client-to-staff ratio. The total number of active FSS participants in the applicant's FSS program during the target period as provided by the applicant under Section IV.B.1.a of this NOFA "Documentation to Confirm the Correct Number of FSS Program Participants During the Target Period" to the number of coordinator positions last funded by HUD as represented in the "Cap on Number of Renewal Positions" column in the Public Housing Information Center (PIC) report (Appendix D).

j. Contract Administrator. Means an overall grant administrator or a financial management agent (or both) that oversees the implementation of the grant and/or the financial aspects of the grant. See Section III.C.4.a of this NOFA "Pre-Award Accounting System Survey" and Section III.C.4.e of this NOFA "Troubled PHAs" for more information.

k. Contract of Participation. See 24 CFR 984.103 for the definition and 24 CFR 984.303 for further information including the contract term.

l. Eligible Families. PH program participants, HCV program participants, Native American Housing Assistance and Self Determination Act (NAHASDA)-assisted residents, or PBRA residents (see Section III.C.1.d "Rental Assistance Demonstration" for more information).

m. FSS Escrow Account. See 24 CFR 984.103 for the definition and 24 CFR 984.305 for further information.

n. FSS Program Coordinator. The person responsible for linking FSS program participants to supportive services. See Section I.A.1.b "Responsibilities of FSS Program Coordinators" of this NOFA for more information.

o. Indian Tribe. The definition of Indian tribe under this NOFA shall be the same definition of Indian tribe found in Section 4 (13) of the Native American Housing Assistance and Self Determination Act of 1996 (NAHASDA).

p. Job-sharing. Means that two or more employees are retained on a part-time or reduced-time basis to perform a job normally fulfilled by one FSS coordinator working full-time. See Section II.A.1 of this NOFA "Eligible Use of Funds" for more information.

q. Logic Model. Form HUD-96010. This form is completed by applicants annually as part of their FSS application submission. During application submission, the applicant submits the logic model with projected numbers. Projected numbers show what the applicant plans to accomplish during the reporting period. Funded programs use the Logic Model to show accomplishments against proposed outputs and outcomes as part of the annual reporting requirement. See Section IV.B.2.d of this NOFA "HUD_96010" and Section VI.C.2.a of this NOFA "Logic Model" for more information.

r. Moving to Work (MTW) PHAs. PHAs that are under MTW agreements with HUD. See Section III.C.1.a of this NOFA "Program Administration" for more information.

s. NAHASDA-assisted resident. A NAHASDA-eligible person receiving assistance under the Native American Housing Assistance and Self Determination Act of 1996 (NAHASDA).

t. Number of FSS Coordinators Supported by PIC data. This number, which is shown in the PIC report, is based on the eligibility requirements discussed in Section III.C.4.f of this NOFA "Eligibility Requirement: Number of FSS families served". As an example, if PIC shows that the PHA has 75 FSS families in its program during the NOFA's target period then the number of FSS coordinators supported by PIC would be 2.

u. Number of FSS Program Participants. The total number of eligible families (heads of household only) under an FSS contract of participation in the applicant's FSS program during the target period. The total number of FSS families under an FSS contract of participation includes any FSS families with enrollment,

progress, and exit reports during the target period.

v. PIC Report. A report showing PIC data for FSS programs that were funded under any of the FY 2012, FY 2013, and/or FY 2014 FSS NOFAs; or received an FSS program through a transfer or consolidation from a PHA that was funded under such NOFAs. For each listed PHA, the report shows the number of FSS program participants (as defined above) shown in PIC, the number of FSS coordinators supported by PIC data, the cap on number of renewal positions, and the cap on funding amount for renewal positions. The PIC report also shows the number of FSS participants (as defined above) during the FY 2014 NOFA's target period as shown in PIC or the documentation submitted by the grantee during the FY 2014 competition to confirm the correct number of FSS program participants. The information on this column only applies to applicants last funded for a part-time position beyond the initial position (see Section III.C.4.f "Eligibility Requirement: Number of FSS Families Served" of this NOFA). The PIC report is attached to this NOFA as Appendix D and includes both MTW and non-MTW PHAs.

Please note that the number of FSS program participants in the PIC report does not encompass the full target period range because the target period ends close to the publication of this NOFA. The target period was set in such a way so that applicants who needed to increase their number of FSS program participants to continue to be fully funded had at least a year from publication of the FY 2014 FSS NOFA to increase the number of families under an FSS contract of participation. However, it is expected that most applicants will not see an impact in their eligibility as a result, and therefore, will not need to submit documentation to correct the data in the PIC report. See Section IV.B.1.a of this NOFA "Documentation to Confirm the Correct Number of FSS Program Participants During the Target Period" for information on submission of documentation to confirm the correct numbers of FSS program participants during the target period.

w. Program Coordinating Committee. See 24 CFR 984.103 for the definition and 24 CFR 984.202 for further information.

x. Target Period. The target period 6/1/2014-5/31/2015. This is the period HUD will use to review data in PIC to verify the number of participating families applicants are serving and other relevant information.

B. Authority.

The FSS program is authorized by Section 23 of the United States Housing Act of 1937. Funding for this program is authorized by the Consolidated Appropriations Act, 2015, Pub. L. No. 113-235, enacted December 16, 2014.

II. Award Information.

A. Available Funds.

HUD is making available through this NOFA **\$75,000,000** for Family Self-Sufficiency Program.

Additional funds may become available for award under this NOFA as a result of HUD's efforts to recapture unused funds, use carryover funds, or because of the availability of additional appropriated funds. Use of these funds will be subject to statutory constraints. All awards are subject to the applicable funding restrictions described in the General Section and to those contained in this NOFA.

1. Eligible Use of Funds. Funds awarded to PHAs and/or tribes/TDHEs under this NOFA may only be used to pay the salary and fringe benefits of FSS program coordinators. A part-time FSS program coordinator may be retained where appropriate. The funds for a FSS coordinator position may be used to job-share with more than one employee if FSS functions are shared (see Section I.A.3 of this NOFA

"Definitions" for the definition of job-sharing). If job-sharing, the funds may be pro-rated to more than one staff member. See Section IV.F.4 of this NOFA "Ineligible Activities" for information on ineligible activities.

2. Combined FSS Funding Streams. In the past, funding for the PH FSS and the HCV FSS programs was appropriated separately. Therefore, funding was awarded under two separate NOFAs (one for PH FSS and one for HCV FSS) and use of the funding was restricted to the applicable FSS program. FSS funding streams for the PH FSS and the HCV FSS programs were first combined under the Consolidated Appropriations Act, 2014, Pub. L. No. 113-76, 128 Stat. 5, enacted January 17, 2014, and continue to remain combined under the Consolidated Appropriations Act, 2015, Pub. L. No. 113-235, enacted December 16, 2014. As a result, FY 2015 FSS funding will also be awarded through one NOFA and applicants will need to submit only one application.

Funding awarded through this NOFA may be used to serve PH and PBRA residents and HCV participants under FSS. However, PH FSS and HCV FSS funds awarded under the FY 2013 (or earlier) NOFAs are still restricted to the applicable program. **This means that any PH FSS funding made available under the FY 2013 (or earlier) PH FSS NOFA that has not yet been expended by the PHA or tribe/TDHE may only be used to serve PH FSS participants. Similarly, any HCV FSS funding made available under the FY 2013 (or earlier) HCV FSS NOFA that has not yet been expended by the PHA may only be used to serve HCV FSS participants.** The exception to this restriction on use of prior years' funds is described in Section III.C.1.d "Rental Assistance Demonstration" of this NOFA.

B. Number of Awards.

HUD expects to make approximately 730 awards from the funds available under this NOFA.

C. Minimum/Maximum Award Information.

A maximum of \$69,000 is available for each full-time coordinator position funded, or a maximum of \$34,500 is available for a part-time position.

However, salaries must be based on local comparables, which evidence the comparability of the requested salary to similar positions in the local jurisdiction. Salary comparables must be kept on file in the offices of the PHA or tribe/TDHE. HUD reserves the right to request the salary comparables at any time. If the PHA or tribe/TDHE does not have comparables on file, or the comparables do not support the PHA's or tribe/TDHE's request for funds under this NOFA, this could result in a recapture of funding and other sanctions.

Please note that minimum award amounts will vary. Additionally, the maximum award amount represented below is per full-time coordinator position.

Estimated Total Funding:	\$75,000,000
Minimum Award Amount:	\$0 Per Project Period
Maximum Award Amount:	\$69,000 Per Project Period

D. Period of Performance.

The grant term is generally twelve months from the expiration of the last grant awarded. However, the grant term may be modified or extended by HUD as determined necessary. Most grants made pursuant to this NOFA will run from January 1, 2016 to December 31, 2016. The estimated project start and end dates below are only estimates, as some grantees may have a grant term that starts and ends on a different date.

Estimated Project Start Date:	01/01/2016
Estimated Project End Date:	12/31/2016

12-month project and budget period

E. Type of Funding Instrument.

Funding Instrument Type: Grant

Funding will be disbursed through HUD's Line of Credit Control System (LOCCS), in accordance with each successful applicant's executed Grant Agreement. Beginning with awards made under the FY2014 FSS competition, all FSS grantees were required to establish an account and drawdown funds utilizing LOCCS. LOCCS is HUD's primary grant and subsidy disbursement system that disburses and tracks the payment of grant funds to grantees. Grantees must access and manage their grant funds through an internet version of LOCCS called eLOCCS. FSS funds will continue to be disbursed using this system, and in accordance with the *Grant Agreement*. Additional terms and requirements of the grant will be specified in the Grant Agreement.

All FY 2014 grantees should have already obtained access to LOCCS. Obtaining access to LOCCS requires HUD approval and can be a lengthy process. If your agency does not currently have LOCCS access, we encourage you to begin the process as soon as possible, in the event that your agency is awarded funds under this NOFA. Should you not get LOCCS approval in sufficient time, you could potentially face a lapse in availability of FSS program coordinator funding. For more information about gaining access to LOCCS, please visit http://portal.hud.gov/hudportal/HUD?src=/program_offices/cfo/loccs_guidelines, or contact the Office of the Chief Financial Officer, User Support Branch at 1-877-705-7504 (toll free). Grantees should also review the *eLOCCS User Guide* (http://portal.hud.gov/hudportal/documents/huddoc?id=eloccs_registration_guide.pdf) for information on the steps needed to gain access to eLOCCS through HUD's Secure Systems platform. For additional information, please contact your local field office representative, or the Office of the Chief Financial Officer, User Support Branch at 1-877-705-7504 (toll free).

When completing the LOCCS Access Authorization Form (HUD 27054), please indicate "ROSS" in section 5a (LOCSS Program Area) and "Resident Opport and Self Sufficiency" in block 5b (Program Name).

Please be reminded that there will be no amendment to any successful applicant's Annual Contributions Contract, and HUD's Financial Management Center will not disburse funding increments.

F. Supplementation.

Not Applicable.

III. Eligibility Information.

A. Eligible Applicants.

Eligible applicants under the NOFA include:

Others (see text field entitled "Additional Information on Eligibility" for clarification)

Additional Information on Eligibility:

Eligible applicants are PHAs (including Moving to Work (MTW) PHAs) and Indian tribes/TDHEs currently administering an FSS program, that have served at least the minimum number of families required by this NOFA (as described in Section III.C.4.f below; "Eligibility Requirement: Number of FSS families served"), have met the threshold requirements of this NOFA as outlined in Section III.C.2 of this NOFA "Threshold Requirements" and have met the timely receipt requirements as outlined in Section IV.D of this NOFA "Application Submission Dates and Times".

Due to the limited funding available under this NOFA, applicants will only be eligible for funding under this NOFA if they meet one of the following criteria:

- the applicant was funded under any of the FY 2012, FY 2013, and/or the FY 2014 FSS NOFAs, or
- the applicant received an FSS program through a transfer or consolidation from a PHA that was funded under such NOFAs.

See Appendix D for a list of applicants who meet the criteria set forth in the bullet points above.

If funding remains after all eligible applicants are funded for renewal positions (i.e., positions funded under any of the FY 2012, FY 2013, and/or FY 2014 FSS NOFAs), funding will be made available to eligible applicants for a funding increase for part-time renewal positions that are increasing to a full-time position and for new FSS coordinator positions (positions that were not funded in FY 2012, FY 2013, or FY 2014) as described in Section V.B.1 "Funding Priority Categories" of this NOFA.

HUD does not award grants to individuals. HUD will also not evaluate applications from ineligible applicants.

All applicants must have an active Data Universal Numbering System (DUNS) number (<http://fedgov.dnb.com/webform>) and have an active registration in the System for Award Management (SAM) (www.sam.gov) before submitting an application. Getting a DUNS number and completing SAM registration can take up to four weeks; therefore applicants should start this process or check their status early.

See also Section IV.B below for necessary content and form of the application.

B. Cost Sharing or Matching.

This Program does not require an applicant to leverage resources through cost sharing or matching.

Generally, federal sources are not allowed to be used as cost share or match unless otherwise permitted by a program's authorizing statute.

C. Other.

All applicants must also refer to Section III of the General Section for information on HUD-wide eligibility requirements. These requirements may determine whether your application is reviewed or make your application ineligible for funding.

Program specific eligibility criteria for this competition includes:

1. Statutory and Regulatory Requirements.

Please note that all grantees must administer the FSS program in accordance with the requirements listed below. An applicant's eligibility will be evaluated as described under Section III.C.4 "Other Requirements" of this NOFA.

a. Program Administration. All recipients of funding under this NOFA must administer the FSS program in accordance with HUD regulations and requirements in 24 CFR part 984 and must comply with PH and HCV program requirements, notices, and guidebooks, as applicable. This includes using a PCC to secure the necessary resources to implement and administer the FSS program. A PHA's FSS program may share a PCC with another PHA. (See 24 CFR 984.202 for more information.)

MTW agencies must administer their FSS programs in accordance with 24 CFR part 984 unless there are provisions of their MTW Plan to the contrary. Please note that an MTW PHA that previously applied jointly with a non-MTW PHA(s) cannot transfer any of its MTW flexibilities to the non-MTW PHA(s). The same is applicable to two or more MTW PHAs who previously applied jointly (each MTW PHA is

subject to its own MTW plan, and may not transfer any of the flexibilities of that plan to the other MTW PHA).

b. FSS Program Termination Due to Reduced Funding. There are no statutory or regulatory provisions that allow for the wholesale termination of an existing FSS program. Loss of funding for the FSS coordinator position does not relieve the PHA of its contractual obligation to families already under an FSS contract.

c. Participants Moving Between PH FSS and HCV FSS. When an FSS program participant leaves the PH program and enters the HCV program or vice versa (whether through RAD or otherwise; for example, a PH FSS participant may leave PH and become an HCV participant through the PHA's HCV waiting list) the participant will no longer need a new FSS contract. However, because the PH and HCV escrows will be funded from different sources, the PHA must set up separate PH and HCV escrow accounts for the transferring program participant. This means the participant will get two checks upon graduation; one for the PH FSS escrow, and another for the HCV FSS escrow. If the participant fails to complete its FSS contract resulting in forfeiture of the FSS escrow accounts, the escrow funds revert to the program from which they came (PH or HCV).

d. Rental Assistance Demonstration. *Project based voucher (PBV) Conversions:* PHAs that are converting or have converted public housing units to PBV assistance through RAD are allowed to use funds under this NOFA, the FY14 combined FSS NOFA, and earlier PH FSS NOFAs or HCV FSS NOFAs to serve those PH FSS participants who live in units converted by RAD and who will as a result become HCV FSS participants. Please note that PH FSS participants whose PH assistance is converted to PBV assistance under RAD continue to be eligible for FSS after their housing is converted.

See Section 1.6(C)(5) of the RAD notice (Notice PIH 2012-32 (HA), Rev-2 for more information on continued participation in the FSS program under RAD conversions to PBV.

PBRA Conversions: PHAs that are converting or have converted public housing units to PBRA assistance through RAD are allowed to use FSS funds made available under this NOFA, the FY14 combined FSS NOFA and PH FSS funds made available under earlier PH FSS NOFAs to serve those current FSS participants who live in units converted by RAD, until such participants exit the FSS program. Please note that FSS participants whose PH assistance is converted to PBRA assistance under RAD continue to be eligible for FSS after their housing is converted.

Also, note that PHAs and/or PBRA owners may, as of the FY15 appropriations law (Pub. L. No. 113-235, enacted December 16, 2014), offer enrollment in FSS to residents in projects converted to PBRA that were not enrolled in the FSS program prior to the RAD conversion and to any other residents at the project. In addition, PHAs may offer enrollment to residents residing in non-RAD affected PBRA properties managed by the PHA or may partner with PBRA owners to offer enrollment to residents in such non-RAD affected PBRA properties. PBRA owners that are not PHAs may implement their own FSS programs but are not eligible to compete for funding under this NOFA. Please note that PHAs that convert all of their ACC units to PBRA (and thus now only administer a PBRA program) may continue to use FSS funding that was granted prior to the RAD conversion (and may partner with another PHA with an FSS program) but will only be able to apply for funding if they also administer the HCV program; they will not be eligible to apply for funding as PBRA owners.

PHAs awarded funds under this NOFA may serve any PBRA resident (affected by RAD or not) under their FSS programs with funds awarded under this NOFA. See Section 1.7(B)(4) of the RAD notice (Notice PIH 2012 -32 (HA), Rev-2. Also note that the Office of Multifamily Housing will be issuing guidance to PBRA owners, including PHAs, who want to serve PBRA residents with an FSS program.

2. Threshold Requirements.

Only applications that meet all threshold requirements established in the General Section and Program NOFA will be evaluated. In addition to the threshold criteria outlined in the General Section, including the Resolution of Outstanding Civil Rights Matters (prior to application deadline), the following threshold requirements must be met:

There are no additional program-specific threshold requirements under this NOFA. The General Section threshold requirements can be found in Section III.C.2 of the FY 2015 General Section. Please note that where an application involves more than one entity each entity must meet the threshold requirements.

3. Compliance with Nondiscrimination and Related Requirements.

Please note that the requirements listed in Section III.C.3 of the FY 2015 General Section (“Compliance with Nondiscrimination and Other Requirements”) apply to this NOFA unless otherwise specified below.

a. Affirmatively Furthering Fair Housing. Applicants should note that this requirement, which is listed in Section III.C.3.b of the FY 2015 General Section, has been modified under this NOFA. Section III.C.3.b of the FY 2015 General Section generally requires applicants to submit a statement (unless otherwise stated in the program NOFA) describing how it is going to carry out the proposed activities in a manner that affirmatively furthers fair housing in compliance with Section 808(e)(5) of the Fair Housing Act, which requires the Department to affirmatively further the purposes of the Fair Housing Act in its housing and urban development programs.

Applicants under this NOFA do not have to include a statement on Affirmatively Furthering Fair Housing (AFFH) in their application; instead, successful applicants are **required** to undertake the following AFFH activities:

- (1) Ensure that each participant receives training and information on rights and remedies available under the federal, state, and local fair housing and civil rights laws and a copy of the housing discrimination complaint form.
- (2) Ensure that each participant is instructed on how to file a fair housing complaint and given the toll-free number for the Housing Discrimination Hotline: 800-669-9777.
- (3) If the family is currently living in a high poverty census tract in the PHA’s jurisdiction, ensure that the family is provided with an explanation of the advantages of moving to an area that does not have a high concentration of low-and very low-income people.
- (4) Make available to all participants information on housing opportunities available throughout the region which will provide them with greater opportunities for employment, job training, highly ranked schools and varied cultural amenities, and how to access such opportunities through support organizations in the area.
- (5) Seek out fair housing training that will assist the coordinator in fulfilling fair housing responsibilities. Fair housing training may be available through the local Fair Housing Initiatives Program (FHIP) agency or the Fair Housing Assistance Program (FHAP) agency. A listing of FHIPs and FHAPs can be found at http://portal.hud.gov/hudportal/HUD?src=/program_offices/fair_housing_equal_opp/partners/FHIP (FHIP) and http://portal.hud.gov/hudportal/HUD?src=/program_offices/fair_housing_equal_opp/partners/FHAP/agencies (FHAP).

NOTE: Indian tribes and TDHEs receiving assistance under NAHASDA are not required to undertake these AFFH activities.

b. Economic Opportunities for Low and Very-Low Income persons (Section 3). Applicants should note that this requirement listed at Section III.C.3.c. of the FY 2015 General Section only applies to the Public Housing program, and does not apply to the HCV program. Recipients of funding under this

NOFA who run a Public Housing rental assistance program must comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects), and the Department's regulations at 24 CFR part 135.

These requirements apply to the hiring of FSS program coordinators. The Section 3 regulations at 24 CFR part 135, subparts B and E, impose certain reporting requirements on recipients, including the submission of an annual report, using form HUD-60002 on HUD's online system at http://portal.hud.gov/hudportal/HUD?src=/program_offices/fair_housing_equal_opp/section3/section3.

For tribes/TDHEs, the procedures and requirements of 24 CFR Part 135 apply to the maximum extent consistent with, but not in derogation of, preferences for the benefits of Indians under §7(b) of the Indian Self Determination and Education Assistance Act (25 U.S.C. 450e(b)).

4. Other Requirements.

This program has eligibility criteria for beneficiaries.

Please note that the requirements listed in Section III.C.4 of the FY 2015 General Section (“Other Requirements”) apply to this NOFA unless otherwise specified below.

a. Pre-Award Accounting System Survey. Applicants should note that this requirement listed at Section III.C.4.b of the FY 2015 General Section applies under this NOFA as follows: if the local HUD field office determines that the applicant does not have a financial management system that meets federal standards (per 2 CFR Part 200, subpart D), the local HUD field office may consider the applicant to be high risk (per 2 CFR 200.205). Please note that not yet having LOCCS access is **not** a basis for considering the applicant to be high risk. PHAs that have never used LOCCS before (e.g., HCV-only PHAs) will be required to set up an account in LOCCS prior to drawing down any funds. If the local HUD field office considers the applicant to be high risk because their financial management system does not meet federal standards, the local HUD field office may require the applicant to enter into a Recovery Agreement with the HUD field office, which may include contracting with an entity acceptable to the HUD field office to act as Contract Administrator for the program. The HUD field office will work with the grantee to put the Recovery Agreement in place prior to the funds being made available. If a Recovery Agreement is required, funding will be contingent upon execution of the Agreement. If the Recovery Agreement requires a Contract Administrator, funding cannot be disbursed until the Contract Administrator is in place, even if the Recovery Agreement has been executed.

b. Debarment and/or Suspensions. Applicants should note that this requirement, which is listed in Section III.C.4.c of the FY 2015 General Section does not apply directly to eligible applicants under this NOFA. However, no person employed by or contracted with the applicant that appears on the Excluded Parties Listing System (EPLS) may be paid pursuant to funding under this NOFA. The EPLS may be accessed through the SAM website at the following address: <https://www.sam.gov/portal/SAM/#1>.

c. Conducting Business in Accordance with Ethical Standards/Code of Conduct. Applicants should note that this requirement listed at Section III.C.4.f of the FY 2015 General Section applies under this NOFA as follows: applicants shall continue to maintain a written code of conduct in the PHA administrative plan and/or admissions and continued occupancy policy (ACOP) that prohibits the solicitation or acceptance of gifts or gratuities, in excess of a nominal value, by any officer or employee of the PHA, or any contractor, subcontractor, or agent of the PHA. The PHA’s administrative plan and/or ACOP shall state PHA policies concerning PHA administrative and disciplinary remedies for violation of the PHA code of conduct. PHAs and employees must conduct business in accordance with 2 CFR Part 200. The PHA shall inform all officers, employees, and agents of its organization of the PHA’s code of conduct.

Pursuant to applicable Federal and HUD regulations, applicants must disclose in writing any potential conflict of interest and all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

d. Consistency with the Consolidated Plan and Analysis of Impediments to Fair Housing Choice.

Applicants should note that this requirement, which is listed in Section III.C.4.i of the FY 2015 General Section, is not applicable to this NOFA because FSS is not one of the public housing or section 8 programs under the United States Housing Act of 1937 that requires consistency with the consolidated plan.

e. Troubled PHAs. Any applicant that has been identified by HUD as PHAS/SEMAP Troubled as of the time of publication of this NOFA is, as required by HUD regulations at 24 CFR 902.73 and/or 24 CFR 985.107, subject to a review, corrective action plan, and monitoring by the HUD field office of the applicant's PH or HCV program, including, if applicable, the FSS program. If deemed necessary by the local HUD field office, an applicant that is PHAS/SEMAP Troubled will be required to enter into a Recovery Agreement with the HUD field office, which may include contracting with an entity acceptable to the HUD field office to act as Contract Administrator for the program. The HUD field office will work with the grantee to put the Recovery Agreement in place prior to the funds being made available. If a Recovery Agreement is required, funding will be contingent upon execution of the Agreement. If the Recovery Agreement requires a Contract Administrator, funding cannot be disbursed until the Contract Administrator is in place, even if the Recovery Agreement has been executed.

f. Eligibility Requirement: Number of FSS families served. As in prior years, eligibility for funding will be based on the number of FSS program participants in the applicant's FSS program during the target period, according to a formula that requires 15 families to support one part-time position, 25 families to support one full-time position, and an additional 50 families to support each additional position beyond the first full-time position (75 families for two full-time positions, 125 families for three full-time positions, etc.). Please see the chart below for a visual representation of this principle and Section V.B.1 "Funding Priority Categories" for more information on how this requirement applies to each of the funding categories.

Number of FSS families served during the target period	Number of positions supported
15-24 families	1 part-time position
25-74 families	1 full-time position
75-124 families	2 full-time positions
125-174 families	3 full-time positions
175-224 families	4 full-time positions
225-274 families	5 full-time positions
275-324 families	6 full-time positions
325-374 families	7 full-time positions
375-424 families	8 full-time positions
And so on in increments of 50	

In the FY 2014 FSS NOFA, the Department calculated the above formula in two ways (the formula applied separately to an applicant's PH FSS families and HCV FSS families and the formula applied to the applicant's FSS families overall) and used the result which enabled the applicant to be eligible for the higher number of renewal positions (subject to the applicant's cap on renewal positions) in cases where the results of the two calculations differed. This was done to allow grantees to transition to a combined program without losing coordinator positions, since FSS funding was first combined in FY 2014. However, applicants were also advised that, starting with FY 2015, the formula would only be applied to

an applicant's FSS families overall in all cases.

Example: PHA A had 25 HCV FSS families during the FY 2014 target period, and 25 PH FSS families during the FY 2014 target period. PHA A was funded for 2 full-time positions between both programs in FY 2013.

In FY 2014, PHA A was eligible for 2 full-time renewal FSS coordinators based on the calculation that yielded the highest result (applying the formula separately to PHA A's HCV FSS families and PH FSS families resulted in eligibility of 2 full-time renewal FSS coordinators whereas applying the formula to FSS families overall resulted in eligibility for 1 full-time renewal FSS coordinator). Under this NOFA, PHA A will continue to be eligible for 2 renewal FSS coordinators only if they increased their overall number of FSS families during this NOFA's target period from 50 FSS families to at least 75 FSS families.

State and Regional programs that operate FSS programs in administratively distinct parts of a state or region may request that the eligibility requirements be applied to each separate area where they administer a FSS program of the required size.

Applicants who were funded under the FY 2014 FSS NOFA for part-time renewal positions beyond the initial renewal position (e.g. an applicant who was funded for 1.5 renewal positions) such applicants will be eligible for the same number of renewal positions and the same renewal funding amount (as described in Section IV.F.2 and IV.F.3 of this NOFA and as shown in the PIC report on Appendix D of this NOFA) provided that the number of families in the applicant's FSS program during this NOFA's target period is at least the same number of FSS families than under the FY 2014 FSS NOFA's target period (as shown in the "Number of FSS Participants during the FY 2014 NOFA's target period" column of the PIC Report; Appendix D), or at least the required minimum number of FSS families applicable to the next full-time position as described above. **However, these applicants will need to increase the number of FSS families to the required minimum applicable to the next full-time position (if not there already), starting in FY 2016, to continue to be eligible for the same cap on renewal positions and cap on renewal funding. Consider the following examples:**

Example 1: PHA A was funded for 1.5 positions at \$89,000 in FY 2014. PHA A had 68 FSS families during the FY 2014 FSS NOFA's target period. To be eligible for 1.5 positions at \$89,000 under funding category 1 of this NOFA, PHA A needs to have at least 68 FSS families during this NOFA's target period. However, in FY 2016, PHA A will need to increase the number of FSS families during the FY 2016 FSS NOFA's target period to at least 75 to continue to be eligible for 1.5 positions at \$89,000.

Example 2: PHA B was funded for 1.5 positions at \$92,000 in FY 2014. PHA B had 80 FSS families during the FY 2014 FSS NOFA's target period. To be eligible for 1.5 positions at \$92,000 under funding category 1 of this NOFA, PHA B needs to have at least 75 FSS families during this NOFA's target period. In FY 2016, PHA B will continue to be eligible for 1.5 positions at \$92,000 provided they continue to have at least 75 FSS families during the FY 2016 FSS NOFA's target period.

Applicants under a transfer or consolidation whose combined cap on renewal positions includes a part-time renewal position beyond the initial renewal position: such applicants will be eligible for the combined number of renewal positions and the combined renewal funding amount of the divesting and receiving PHA (as described in Section III.C.4.h of the NOFA and as shown in the PIC report on Appendix D of this NOFA) provided that the number of families in the receiving PHA's FSS program during this NOFA's target period is at least the same number of FSS families of the divesting and receiving PHA under the FY 2014 FSS NOFA's target period (as shown in the "Number of FSS Participants during the FY 2014 NOFA's target period" column of the PIC Report; Appendix D), or at least the required minimum number of FSS families applicable to the next full-time position as described above. **However, the receiving PHA will need to increase the number of FSS families to the**

required minimum applicable to the next full-time position (if not there already), starting in FY 2016, to continue to be eligible for the same cap on renewal positions and cap on renewal funding. Consider the following example:

Example. PHA A was funded for 0.5 positions at \$23,500 in FY 2014. PHA B was funded for 1 full-time position at 65,235 in FY2014. PHA A transferred its program to PHA B after both were awarded FY2014 FSS funding. PHA A had 19 FSS families during the FY 2014 FSS NOFA's target period and PHA B had 50 FSS families. To be eligible for 1.5 positions at \$88,735 under funding category 1 of this NOFA, PHA B needs to have at least 69 FSS families during this NOFA's target period. However, in FY 2016, PHA B will need to increase the number of FSS families during the FY 2016 FSS NOFA's target period to at least 75 to continue to be eligible for 1.5 positions at \$88,735.

Other than those applicants who were funded under the FY 2014 FSS NOFA for part-time renewal positions beyond the initial renewal position (e.g. an applicant who was funded for 1.5 renewal positions) and those applicants under a transfer or consolidation whose combined cap on renewal positions includes a part-time renewal position beyond the initial renewal position (see Section III.C.4.h "Transfer/Consolidation Eligibility for Renewal Positions of this NOFA"), no other applicant may be funded for a part-time position beyond the initial position under this NOFA.

The number of families that are under an FSS contract of participation during this NOFA's target period will be based on data in HUD's PIC system (as shown in the PIC report in Appendix D) or the equivalent data provided by applicants confirming the correct numbers of FSS program participants during the target period (see Section IV.B.1.a of this NOFA; "Documentation to Confirm the Correct Number of FSS Program Participants During the Target Period"). Because tribes/TDHEs do not report to PIC, tribes/TDHEs are required to include documentation with their application to confirm the correct number of FSS program participants during the target period (see Section IV.B.1.a of this NOFA; "Documentation to Confirm the Correct Number of FSS Program Participants During the Target Period").

NOTE: the number of FSS families served described in this section is used to determine an applicant's eligibility for funding but does not prescribe a limit on the number of families who can participate in a grantee's FSS program. While the FSS action plan requires the grantee to indicate the number of eligible families who can reasonably be expected to receive supportive services under the FSS program (see 24 CFR 984.201 (d)(2)); this number may be modified by the grantee upon HUD approval (see 24 CFR 984.201(c)(2)).

g. Cap on Number of Renewal Positions. Applicants will not be awarded more **renewal** positions under funding category 1 than the most recent number of FSS program coordinator positions funded (i.e., FY 2014 FSS program coordinator positions, or FY 2013 or FY 2012 HCV FSS program coordinator positions **plus** FY 2013 or FY 2012 PH FSS program coordinator positions, as applicable). However, please note that applicants may request a funding increase for a part-time renewal position that is increasing to a full-time position under funding category 2 and a new position(s) under funding category 3 as described in Section V.B.1 "Funding Priority Categories" of this NOFA.

For example, a PHA that was last awarded 1 full-time HCV FSS position in FY 2013 and 1 full-time PH FSS position in FY 2013 may only be awarded up to 2 full-time **renewal** positions under this NOFA, even if the "Number of FSS Coordinators Supported by PIC Data" (PIC Report, Appendix D) is higher than 2 positions. Similarly, a PHA that was last awarded 2 full-time renewal FSS positions in FY 2014 may only be awarded up to 2 full-time **renewal** positions under this NOFA, even if "Number of FSS Coordinators Supported by PIC Data" is higher than 2 positions.

h. Transfer/Consolidation Eligibility for Renewal Positions. A receiving PHA under a program transfer or consolidation will qualify for the combined number of **renewal** positions supported by the receiving and divesting PHAs' number of FSS program participants served during the target period, subject to the combined cap on number of **renewal** positions of the receiving and divesting PHAs.

Consider the following example of a transfer, in which the divesting PHA transferred their program to the receiving PHA after both PHAs were awarded FY 2014 FSS funding: the receiving PHA's "Number of FSS Coordinators Supported by PIC Data" (PIC Report, Appendix D) is 2 full-time positions, and the divesting PHA's "Number of FSS Coordinators Supported by PIC Data" (PIC Report, Appendix D) is 1 full-time position, so the receiving PHA qualifies for 3 full-time positions. However, the combined cap on number of renewal positions is 2 full-time positions (the receiving PHA was awarded only 1 full-time position in FY 2014, as was the divesting PHA), so the receiving PHA will not be awarded more than 2 full-time renewal positions.

Or consider the following example of a consolidation, in which 3 PHAs consolidated after each of the PHAs was awarded FY 2014 FSS funding: each of the 3 divesting PHAs show 1 full-time position in each PHA's "Number of FSS Coordinators Supported by PIC Data" (PIC Report, Appendix D); however, the newly consolidated PHA shows zero positions in their "Number of FSS Coordinators Supported by PIC Data" (PIC Report, Appendix D), due to the timing of the consolidation. The newly consolidated PHA qualifies for 3 full-time positions. The combined cap on number of renewal positions is 3 full-time positions (each of the 3 divesting PHAs were awarded 1 full-time position in FY 2014), so the newly consolidated PHA may be awarded 3 full-time renewal positions.

Please note that the above calculation for transfers/consolidations applies only to the first NOFA competition after the transfer/consolidation. Beyond that, the PHA must adhere to all of the regular requirements of future NOFAs. Please also note that the funding for renewal positions for a receiving PHA under a program transfer or consolidation may not exceed the combined most recent award amount; see Section IV.F.2 of this NOFA "Limitation on Funding Increases for Renewal Positions".

i. Joint Applicants. Eligible applicants who did not apply jointly under the most-recently funded NOFAs (FY 2014, FY 2013, or FY 2012 FSS NOFAs, as applicable) may not apply jointly under this NOFA. Eligible applicants who applied jointly under the most-recently funded NOFA may not add new joint applicants under this NOFA. However, the composition of the joint applicants may change to remove any member(s) or change a co-applicant to a lead applicant (or vice-versa).

Eligible applicants who applied jointly under the most-recently funded NOFA may not apply separately.

HUD has adopted this policy in consideration of the potential effect allowing joint applicants to apply separately could have on the amount of funding awarded to PHAs; however, HUD welcomes feedback on whether such a policy is too restrictive. Please direct your feedback to FSS@hud.gov.

As with all other applicants, the joint applicant group is subject to the cap on number of renewal positions (see Section IV.F.3 of this NOFA; "Cap on Number of Renewal Positions"), and must meet the number of FSS families served eligibility requirement (see Section III.C.4.f of this NOFA; "Eligibility Requirement: Number of FSS families served"). Additionally, each joint applicant must individually meet the threshold requirement set forth at Section III.C.2.b of the FY 2015 General Section ("Resolution of Civil Rights Matters").

IV. Application and Submission Information

A. Obtaining an Application Package.

An electronic copy of the Application Package and Application Instructions for this NOFA can be downloaded from [Grants.gov](http://www.grants.gov) at <http://www.grants.gov/applicants/apply-for-grants.html>. Unless an applicant received a waiver for good cause, applications must be submitted electronically via Grants.gov except Continuum of Care applications. The Continuum of Care application is submitted through HUD's e-snaps system.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission. Applicants that cannot submit their applications electronically and must seek a waiver of the electronic grant submission requirements must submit a waiver request so that the request is received at

least 15 days before the application deadline. If HUD waives the requirement, your paper application must be received by HUD before the deadline of this NOFA. To request a waiver and receive a paper copy of the application materials, you should contact:

Email: FSS@hud.gov

The subject line of the email message should be FY 2015 FSS NOFA Waiver Request. If an applicant is granted a waiver, then the approval will provide instructions for submitting paper copies to the appropriate HUD office(s). All applicants eligible for FY 2014 FSS funding submitted electronically, so waivers to submit via paper will only be granted in extreme circumstances; for example, natural disasters. See Section IV.A.2 of the FY 2015 General Section ("Paper Application") and Section IV.A.3 of the FY 2015 General Section ("Waiver of Electronic Submission Requirements") for more information.

B. Content and Form of Application Submission.

To ensure that the correct Application Package and Application Instructions are used, applicants must verify that the CFDA number and CFDA Description on the first page of the Application Package downloaded from Grants.gov, as well as the Opportunity Title, and the Funding Opportunity Number match the Program and NOFA to which they are applying. Applications will only be considered for the competition indicated in boxes 11, 12, and 13 on the SF-424 submitted in the application.

1. Content

Forms for your package include the forms outlined below:

Forms / Assurances / Certifications	Submission Requirement	Notes / Description
<p>Third Party Documentation Facsimile Transmittal - Form HUD-96011, if applicable</p>	<p>If your agency is not submitting supporting documents via fax, do not include this form as part of your submission.</p>	<p>This form must be used as the cover sheet for any faxes submitted in conjunction with an electronic application. See Section IV.B1 of the FY 2015 General Section for more information.</p>
<p>Housing Choice Voucher (HCV) /Public Housing (PH)Family Self-Sufficiency (FSS) Program Coordinator Funding - Form HUD_52651</p>	<p>This form is required of all applicants.</p>	<p>This is the FSS application form. All FSS applicants will use the HUD-52651 form; please note that the HUD-52767 will no longer be accepted. See Section IV.B.2.c of this NOFA ("HUD_52651") for more information. HUD may contact an applicant to clarify items on this form (e.g., the amount requested, and local comparables to support this amount, if HUD has any questions), and will be treated as a curable deficiency (see Section V.B.2 of this NOFA "Corrections to Deficient Applications" for more information).</p>

<p>FY 2015 FSS Logic Model - Form HUD-96010</p>	<p>This form is required of all applicants.</p>	<p>Applicants must show projected performance measures. See Section IV.B.2.d of this NOFA ("HUD_96010") and Section VI.C.2.a of this NOFA ("Logic Model") for more information on the Logic Model. HUD may contact an applicant to request a missing form or clarify items on this form, and will be treated as a curable deficiency (see Section V.B.2 of this NOFA "Corrections to Deficient Applications" for more information).</p>
<p>Application for Federal Assistance - Form SF_424</p>	<p>This form is required of all applicants.</p>	<p>See Section IV.B.2.b of this NOFA ("SF_424") for more information. HUD may contact an applicant to clarify items on this form, and will be treated as a curable deficiency (see Section V.B.2 of this NOFA "Corrections to Deficient Applications" for more information).</p>
<p>Applicant/Recipient Disclosure/Update Report - Form HUD-2880</p>	<p>This form is required of all applicants.</p>	<p>This is the HUD Applicant Recipient Disclosure Report on Grants.gov. HUD may contact an applicant to clarify items on this form, and will be treated as a curable deficiency (see Section V.B.2 of this NOFA "Corrections to Deficient Applications" for more information).</p>
<p>Disclosure of Lobbying Activities - Form SF-LLL, if applicable</p>	<p>If this form is not applicable to your agency, do not include it as part of your submission.</p>	<p>This form is only applicable if your agency has used or intends to use non-federal funds for lobbying activities. This requirement is not applicable to federally recognized tribes and their TDHEs. HUD may contact an applicant to clarify items on this form, and will be treated as a curable deficiency (see Section V.B.2 of this NOFA "Corrections to Deficient Applications" for more information).</p>
<p>Acknowledgment of Application Receipt - Form HUD-2993, if applicable</p>	<p>If this form is not applicable to your agency, do not include it as part of your submission.</p>	<p>This form is only applicable if a waiver of the electronic application requirement is granted for the applicant.</p>

Additionally, your complete application must include the following narratives and non-form attachments:

a. Documentation to Confirm the Correct Number of FSS Program Participants During the Target Period. Appendix D of this NOFA is the PIC report as defined in Section I.A.3.v of this NOFA. Please see Section I.A.3 of this NOFA ("Definitions") for definitions applicable to the PIC report, and information on how the number of FSS coordinators supported by PIC data, the cap on number of renewal positions, and the cap on funding amount for renewal positions, were calculated. **Please review the PIC report (Appendix D) carefully.**

If any of the following situations apply, the applicant (including MTW PHAs) must include documentation with their application to confirm the correct number of FSS program participants during the target period 6/1/2014-5/31/2015:

- the applicant is requesting more renewal positions (i.e. positions funded under the FY 2012, FY 2013, and/or FY 2014 FSS NOFAs) than the "number of FSS coordinators supported by PIC data" (as listed in the PIC report).
- the applicant's data is missing from the PIC report, even though the applicant is an eligible applicant (eligible applicants are described in Section III.A of this NOFA; "Eligible Applicants").
- the applicant is a tribe/TDHE.
- the applicant is applying for funding under Funding Category 2 and/or Funding Category 3 ("as described in Section V.B.1 of this NOFA ("Funding Priority Categories").
- applicants who are RAD PHAs who converted FSS families under the PH program to PBRA assistance during this NOFA's target period must include documentation **ONLY** if the applicant believes that these families are not reflected in the PIC report and any of the four situations described in the bullet points above applies to the applicant.

Please note that the documentation requirements are the same regardless of the reason that the applicant is submitting documentation. Applicants need to submit documentation only once if submitting for more than one reason. Documentation may include, but is not limited to, an ad hoc report from PIC or another listing generated from the applicant's software.

- The documentation must include a list of the names and the total number of FSS program participants (as defined in Section I.A.3 of this NOFA; "Definitions") in the applicant's FSS program during the specified target period **6/1/2014-5/31/2015**.
- The documentation must include a participant's name only once.
- The documentation must not include any personally identifiable information (e.g., social security numbers or dates of birth).
- In the case of State and Regional PHAs requesting that the eligibility requirements for program size be applied to each separate administrative area where they administer an FSS program of the required size (as described in Section III.C.4.f of this NOFA; "Eligibility Requirement: Number of FSS families served"), the ad hoc report from PIC or another listing generated from the PHA's software (besides meeting the requirements listed in the preceding bullets) must identify the names and number of FSS families in each of the separate administrative areas.

A sample of acceptable documentation is provided in Appendix B of this NOFA. Failure by applicants to submit documentation with their applications to confirm the correct number of FSS program participants during the target period (if any of the situations described above apply to the applicant) is a curable deficiency under this NOFA. See Section V.B.2 of this NOFA "Corrections to Deficient Applications" for more information on corrections to deficient applications.

The documentation of FSS program participants submitted by the applicant (and any other documentation the applicant submits as part of its application) must be, to the best of the applicant's knowledge and belief, true and correct. HUD retains the right to conduct post-award audits, and the submission of inaccurate documentation may result in a recapture of funding and/or other sanctions.

NOTE: Applicants need only submit documentation specifically requested in this NOFA. Unsolicited

material will not be reviewed or considered in the application. Please do not submit extraneous materials.

2. Format and Form

Narratives and other attachments to your application must follow the following format guidelines:

Guidance for Locating and Completing Forms.

a. General. Please note that the application consists of the "application download" and the "instructions download." Forms referred to as "electronic" are part of the application download in grants.gov, and forms referred to as "attachments" are part of the instructions download in grants.gov. Use only the forms included in the Grants.gov application download and instructions download for this funding opportunity to avoid using outdated forms.

b. SF_424.

- Question 2 – all applicants should select the “new” box on question 2, “type of application.”
- Question 5a. – the Federal Identifier requested in 5a. is the PHA number of each applicant PHA (e.g., MD035 or AK002).
- Question 5b – you may leave this blank.
- Question 8.d – when entering the applicant zip code in 8.d., enter the 9 digit zip code.
- Questions 10, 11, 12 and 13 are pre-populated. Do not add or change anything.
- Question 14 – you may leave blank and do not need to attach anything.
- Question 15 – the applicant may choose the title. However, suggest using the name of your PHA plus FSS.
- Question 16 – if the location of the applicant’s office and the location of the program/project is within the same Congressional District, you should include the same answer for both parts.
- Question 17 – most applicants should indicate January, 1, 2016-December 31, 2016 (however, this is an estimate and the actual dates will be determined at grant agreement).
- Question 18 – complete 18.a. which will be the amount requested from HUD in this FY 2015 FSS application. The dollar amount entered in 18.a. must be the total requested under this NOFA and should include the dollar amount for fringe benefits, if applicable. No funding amount should be reported in 18.b. through 18.f. The total, 18.g. will populate when you complete 18.a.
- Question 19 – answer c. Program is not covered by E.O. 12372.
- Do not add attachments to the SF_424. Use the Attachments Form in the electronic application to submit attachments.

c. HUD_52651. All parts of the form HUD_52651 must be completed by all applicants, unless indicated below to be left blank/not filled out.

- **Part I (“General Information”):** must be completed by all applicants. As discussed in Section III.A of this NOFA ("Eligible Applicants"), applicants are only eligible for funding under this NOFA if they are currently administering an FSS program. This means that all applicants must check "PHAs Currently Administering FSS" under "Applicant Category." The boxes for "Type of FSS Program" (HCV FSS or PH FSS) should be left blank.
- **Part II.A ("Previously Funded Positions"):** this is where applicants request funding for renewal positions (i.e., positions funded under any of the FY 2012, FY 2013, and/or FY 2014 FSS NOFAs).

Column 4 “FY Last Funded”: eligible applicants that were **not** funded under the FY 2012, FY 2013, and/or FY 2014 FSS NOFAs, but rather received an FSS program through a **transfer** from a PHA that was funded under such NOFAs, should indicate the fiscal year under which the divesting PHA was last funded. For example, if PHA A received funding under the FY 2013 HCV FSS NOFA and then transferred its program to PHA B, PHA B should enter FY 2013 in this column, as this is the FY applicable to the divesting PHA (PHA A).

Column 5 "Salary Amount Last Funded": should be left blank.

Column 6 "Is Applicant's Request Above Percentage Allowed in the NOFA": is not applicable to this NOFA, and thus should be left blank.

• **Part II.B ("New Positions"):**

Funding Category 2 Applicants: applicants who are applying for a funding increase for a part-time renewal position that is increasing to a full-time position under funding category 2 (see Section V.B.1 "Funding Categories" of this NOFA) must enter the requested increase amount (not the total amount requested) on column 2 "Salary Requested Per Position under this NOFA (Including Fringe Benefits)" and "Part-time" in column 3 "Indicate whether Full-Time or Part-Time". The information for the renewal part-time position would be entered under Part II.A of form HUD-52651.

For example, PHA A is requesting a funding increase of \$20,000 under funding category 2 for a part-time renewal position previously funded in FY 2014 for \$30,000 that is becoming a full-time position at \$50,000. PHA A will indicate \$20,000 in column 2 and "Part-time" in column 3 of Part II.B. Additionally, PHA A will indicate \$30,000 in column 2, "Part-time" in column 3, and 2014 in column 4 of Part II.A. See Appendix C for a visual representation of this instruction.

Funding Category 3 Applicants: applicants who are requesting new positions under funding category 3 (see Section V.B.1 "Funding Categories" of this NOFA) must use this part to enter any new positions. Please note that only full-time positions may be requested and funded under funding category 3; therefore, "Full-time" must be entered on column 3 for all positions.

• **Part II.D ("Total number of families under FSS contract during the NOFA target period"):** should be left blank.

• **Part III ("Requests for PHAs that are NOT currently administering FSS Programs"):** leave blank. Because applicants are only eligible for funding under this NOFA if they are currently administering an FSS program, all applicants must fill out Part II and **NOT** Part III of this form.

d. HUD_96010. The application must include a completed Logic Model (form HUD_96010) showing projected performance measures applicable to the 2015 calendar year. As in FY 2014, applicants are only submitting **ONE** Logic Model under this NOFA, which includes projected measures for persons or households (as applicable) under both PH FSS and HCV FSS. In FY 2013, significant changes were made to the Logic Model form; these changes continue to be retained under this NOFA. Guidance for completion of the FSS logic model can be found on the FSS webpage at the following address: http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/hcv/fss.

YOU MUST INDICATE A PROJECTION NUMBER FOR EVERY ACTIVITY/OUTPUT AND EVERY OUTCOME, EVEN IF THAT PROJECTION IS ZERO (0). Applicants must establish interim benchmarks, or outputs, for their projected program that lead to the ultimate achievement of outcomes. "Outputs" are the direct products of a program's activities. Examples of outputs are: the number of persons that participate in adult basic education, the number of persons participating in homeownership counseling, the number of participants receiving training, etc. Outputs should produce outcomes for your program. "Outcomes" are benefits accruing to the participants, families, and/or communities during or after participation in the program. For example, outcomes of FSS program participation could be the number of persons that received a bachelor's degree, the number of persons who obtained employment, the number of families whose increased earned income results in the family no longer needing rental assistance, etc. Outcomes are not the development or delivery of services or program activities but the results of the services delivered or program activities - the ultimate results of the program. Applicants must clearly identify the outcomes to be achieved and measured.

As in FY 2014, there will be no “new” outputs or outcomes allowed in this year’s Logic Model. All activities/outputs (in column 3) and outcomes (in column 5) will be pre-filled and the applicant MUST indicate a projection number for EVERY activity/output and EVERY outcome, even if that projection is zero (0). You may wish to print the outputs and outcome tabs, if necessary, for easy review.

A narrative is not required as part of your Logic Model submission. The data entered into the Logic Model should be consistent with your application. HUD should be able to review the Logic Model without further narrative explanation.

Use ONLY the eLogic Model® form provided with this application – it can be found in the Instructions Download Zip File from Grants.gov.

Read the Instructions Tab in the eLogic Model® and be sure that you enable the Macros. *Applicants must fill out the eLogic Model in its entirety* following the instructions in the Instructions Tab in the eLogic Model®. ***YOU MUST INDICATE A PROJECTION NUMBER FOR EVERY ACTIVITY/OUTPUT AND EVERY OUTCOME, EVEN IF THAT PROJECTION IS ZERO (0).*** There will be no “locked” columns as there have been in years prior to FY 2013. However, fill in ONLY the “projection” column, NOT the “Annual” or “Extension” column for the application. The “Annual” and “Extension” columns are used when reporting. For “Reporting period,” the Reporting Start Date and the Reporting End Date should also be left blank at the time of application. They are used when reporting. The reporting Tab is also left blank at the time of application. See Section VI.C.2.a of this NOFA "Logic Model" for information on Logic Model reporting.

Column 1 (HUD Goals and Policy Priorities) and column 2 (Need) will be pre-populated to reflect the FSS program in general and should not be changed. Applicants must fill out columns 4, 6, and 7. Columns 3 and 5 will be pre-filled and applicants are required to provide a projection (in columns 4 and 6, respectively) for each activity/output and outcome listed, even if that projection is zero (0). At the time of application, when completing Columns 4 and 6 applicants should only complete the “Projection” portion of the column as that represents their projected outputs and outcomes.

NOTE: Any deficiencies found in the logic model at the time of application will not be treated as a deficiency for the competition process, but will need to be remedied by successful applicants after award. However, failure to submit a logic model with the application will result in a curable deficiency for the competition process.

C. DUNS Number and SAM Registration.

Please refer directly to Section IV.C of the General Section, available at Grants.gov or HUD's Funds Available page, [http:// portal.hud.gov /hudportal /HUD?src= /program offices /administration /grants /fundsavail](http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail).

D. Application Submission Dates and Times.

The application deadline is 11:59:59 p.m. Eastern time on **07/27/2015** Applications must be received no later than the deadline. Please refer to the General Section for more information about timely receipt of applications.

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit your application in paper form or you are applying for the Continuum of Care program. The Continuum of Care application is submitted through HUD's e-snaps system. Instructions for submitting your application to Grants.gov are contained within the Application Package you downloaded from Grants.gov. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

Your application must be **both received and validated** by Grants.gov. Your application is “received” when Grant.gov provides you a confirmation of receipt and an application tracking number. **If you do**

not see this confirmation and tracking number, your application has not been received.

After your application has been received, your application still must be validated by Grants.gov. During this process, your application may be “validated” or “rejected with errors.” To know whether your application was rejected with errors and the reason(s) why, you must log into Grants.gov, select “Applicants” from the top navigation, and select “Track my application” from the drop-down list. If the status is “rejected with errors,” you have the option to correct the error(s) and resubmit your application before the Grace Period ends. **If your application was “rejected with errors” and you do not correct these errors, HUD will not review your application.** If your status is “validated” your application will be forwarded to HUD by Grants.gov.

1. Resubmitting an Application.

Before the submission deadline, applicants who choose to amend an application that has been validated by Grants.gov have several options:

- (1) an applicant may email the new or revised supporting materials to ApplicationSupport@hud.gov; or
- (2) an applicant may fax the additional supporting documents using the form HUD-96011.
- (3) an applicant may resubmit an entire, revised application via Grants.gov containing the new or changed material;

Whichever option is used, all materials must be received by the applicable deadline.

When submitting additional supporting documentation via email, the applicant must enter "Supporting Documentation" plus the Grants.gov application tracking number in the subject line of the email. (e.g., Subject: Supporting Documentation - GRANT12345678). If this information is not included, HUD will not be able to match the response to the application under review and the application may therefore be rejected due to the deficiency.

When submitting additional supporting documentation by fax, the applicant must enter the document name in the box labeled "Name of Document Submitting" in form HUD96011. When submitting a fax, applicants must follow the fax requirements found elsewhere in this notice. If the fax transmittal form from the last application submitted is not the cover page to the applicant's response HUD will not be able to match the response to the application under review and the application may therefore be rejected due to the deficiency.

When resubmitting an application that was previously validated by Grants.gov, all documents faxed in support of the original submission must be either attached to the Grants.gov resubmission or faxed again using the form HUD-96011. If faxing, you must fax the materials, including materials faxed by a third party, after the resubmitted application has been validated by Grants.gov. All faxed materials must be received by the applicable deadline.

2. Grace Period for Grant.gov Submissions.

If an application is received by Grants.gov before the deadline, but is rejected with errors, applicants have a grace period of 24 hours beyond the application deadline to submit a corrected application that is received and validated by Grants.gov. Any application submitted during the grace period that does not meet the criteria above will not be considered for funding. There is no grace period for paper applications. See the General Section for more information about the grace period.

3. Late Applications.

An application received after the Program NOFA deadline date that does not meet the requirements of the grace period policy will be marked late, and will not be considered for funding.

E. Intergovernmental Review.

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions.

1. Salary Cap. Awards under this NOFA are subject to a cap of \$69,000 per year per full-time coordinator position funded, or \$34,500 for a part-time coordinator. Under this NOFA, if PHAs apply jointly, the \$69,000 maximum amount that may be requested per position applies for the application as a whole, not to each PHA separately. See Section II.C of this NOFA "Minimum/Maximum Award Information" for information about part-time positions and salary comparability requirements.

2. Limitation on Funding Increases for Renewal Positions. Funding for renewal positions (i.e. positions funded under any of the FY 2012, FY 2013, and/or FY 2014 FSS NOFAs) will be capped at the total of the most recent award amount (i.e. FY 2014 funding, or FY 2013 or FY 2012 PH FSS funding plus FY 2013 or FY2012 HCV FSS funding, as applicable). **If funding was prorated under such NOFAs, funding will be considered as the eligible amount before any proration.** This cap is listed as "Cap on Funding Amount for Renewal Positions" in the PIC Report (Appendix D). However, please note that applicants may request a funding increase for a part-time renewal position that is increasing to a full-time position as described in Section V.B.1 "Funding Priority Categories" of this NOFA.

Example 1: PHA A was awarded 1 full-time position at \$67,839 under the FY 2013 HCV FSS NOFA but was eligible for \$69,000 prior to proration, and the same applicant's most recent PH FSS award was for 1 full-time position at \$65,000 in FY 2012. PHA A is eligible for renewal of 2 positions for no more than \$134,000 ($\$69,000 + \$65,000 = \$134,000$).

Example 2: PHA B was awarded 1.5 positions at \$98,458 under the FY 2014 FSS NOFA, but was eligible for \$99,286, prior to proration. PHA B is eligible for renewal of 1.5 positions for no more than \$99,286. PHA B is requesting a funding increase under Funding Category 2 "Funding Increase for Applicants Going from a Part-time Renewal Position to a Full-time Position" to go from 1.5 renewal positions to 2 positions. If funding is available after all eligible applicants are funded under Funding Category 1 "Renewal Coordinator Positions for Eligible Applicants", PHA B may be funded for a funding increase of its part-time renewal position under Funding Category 2 as described in Section V.B.1 "Funding Priority Categories" of this NOFA.

NOTE: Applicants may choose to request the funding for their renewal positions in different amounts from the most recent award, subject to the salary cap described at Section IV.F.1 above ("Salary Cap"), and salary comparability requirements at Section II.C of this NOFA "Minimum/Maximum Award Information". For example, the applicant in example 1 above may choose to request that their two renewal positions be funded at \$67,000 each, which is allowable because the total is no more than the total of the most recent award amount (\$134,000), each position is no more than the \$69,000 salary cap, and the applicant has local comparables on file that support these amounts.

The funding for renewal positions for a receiving PHA under a program transfer or consolidation (see Section III.C.4.h of this NOFA; "Transfer/Consolidation Eligibility for Renewal Positions") may not exceed the combined most recent award amount (listed as "Cap on Funding Amount for Renewal Positions" in the PIC Report; Appendix D) of the receiving and divesting PHA(s). For example, if the receiving PHA's most recent award amount was \$68,000 and the divesting PHA's most recent award amount was \$69,000, the funding for renewal positions for the receiving PHA may not exceed \$137,000 under this NOFA.

3. Cap on Number of Renewal Positions. Applicants will not be awarded more **renewal** positions under funding category 1 of this NOFA than the most recent number of FSS program coordinator positions funded (i.e., FY 2014 FSS program coordinator positions, or FY 2013 or FY 2012 HCV FSS program coordinator positions plus FY 2013 or FY 2012 PH FSS program coordinator positions, as applicable). However, please note that applicants may request a funding increase for a part-time renewal position

that is increasing to a full-time position under funding category 2 and a new position(s) under funding category 3 as described in Section V.B.1 “Funding Priority Categories” of this NOFA.

For example, a PHA who was last awarded 1 full-time HCV FSS position in FY 2013 and 1 full-time PH FSS position in FY 2013 may only be awarded up to 2 full-time **renewal** positions under this NOFA, even if the "Number of FSS Coordinators Supported by PIC Data" (PIC Report, Appendix D) is higher than 2 positions. Similarly, a PHA who was last awarded 2 full-time renewal FSS positions in FY 2014 may only be awarded up to 2 full-time **renewal** positions under this NOFA, even if "Number of FSS Coordinators Supported by PIC Data" is higher than 2 positions.

4. Ineligible Activities.

a. Funds under this FSS NOFA may not be used to pay for services for FSS program participants or administrative activities.

b. Funds under this FSS NOFA may not be used for performance of routine PH or HCV program functions. However, an FSS coordinator may perform some PH or HCV functions, such as annual reexaminations for FSS participants, if it enhances the effectiveness of the FSS program. This provision is to be employed only to the extent that these functions enhance, and do not interfere with, the FSS Coordinators’ ability to fully fulfill the role of the FSS Program Coordinator as his or her primary work. FSS Coordinator positions must not be used to balance or fill in for gaps in traditional staffing.

c. Funds under this NOFA may not be used to compensate coordinators for homeownership functions performed for families not enrolled in the FSS program.

d. Funds may not be used to pay for a Contract Administrator (as defined in Section I.A.3 of this NOFA; "Definitions").

1. Lead Based Paint Requirements.

Not Applicable

V. Application Review Information

A. Review Criteria.

1. Rating Factors.

In the FY 2014 FSS NOFA the Department announced its intent to rate and rank applicants, starting with the FY 2015 FSS NOFA, based on FSS participants' increased earned income. The Department solicited and received feedback on the proposal from several PHAs. After consideration of the comments received, the Department has determined not to implement the proposed rating and ranking factor in this FY 2015 FSS competition. However, the Department plans to further evaluate alternatives for rating and ranking applicants, which the Department may implement starting with the FY 2016 FSS NOFA, subject to appropriations.

2. NOFA Priorities.

HUD encourages applicants for funding to undertake programs and projects that contribute to HUD's NOFA Priorities. Applicants that undertake activities that result in achievement of specific NOFA Priorities listed below are eligible to receive priority points in the rating of their application. These points will be awarded only if the application otherwise meets or exceeds the Program's minimum fundable score based on the rating factors of this NOFA.

Priority points are not available for this program.

3. Bonus Points.

In support of certain inter-agency initiatives, HUD awards bonus points to projects where the preponderance of work will occur in a designated zone, community or region. **These points will be awarded only if the application otherwise meets or exceeds the Program's minimum fundable score based on the rating factors of this NOFA.**

Bonus points are not available for this program.

B. Reviews and Selection Process.

1. Funding Priority Categories. Positions in each funding category will be funded in order starting with Funding Category 1, then Funding Category 2, then Funding Category 3. For each Funding Category, "eligible applicants" has the same meaning as given in Section III.A of this NOFA ("Eligible Applicants").

Funding Category 1: Renewal Coordinator Positions for Eligible Applicants. Renewal of positions funded under any of the FY 2012, FY 2013, and/or FY 2014 FSS NOFAs that meet the "Number of FSS families served" eligibility requirement of this NOFA (Section III.C.4.f). If HUD receives applications eligible for funding under Funding Category 1 that are greater than the amount made available under this NOFA, HUD will equally prorate each award. Proration would result in each eligible applicant receiving only a portion of the award amount for which it is eligible under Funding Category 1. For example, if HUD were to institute a 95 percent proration, an applicant eligible for \$69,000 under Funding Category 1 would be awarded \$65,550. However, if funding remains after all eligible applicants are funded under Funding Category 1, funding will be made available starting with Funding Category 2 below, until funding runs out.

Funding Category 2: Funding Increase for Eligible Applicants Increasing from a Part-time Renewal Position to a Full-time Position. If funding remains after all eligible applicants are funded under Funding Category 1 above, funding will be made available to eligible applicants for a funding increase for a part-time renewal position that is increasing to a full-time position. An applicant may request a funding increase under this category if its "cap on number of renewal positions" is 0.5, 1.5, 2.5, and so forth, and the applicant is requesting their part-time renewal position to increase to a full-time position (e.g. from 0.5 renewal positions to 1 position, from 1.5 renewal positions to 2 positions, from 2.5 renewal positions to 3 positions, and so forth).

Funding under this category will be determined based on the applicant's client-to-staff ratio (as defined in Section I.A.3 of this NOFA; "Definitions"). This ratio will be determined based on the total number of FSS participants as provided by the applicant under Section IV.B.1.a of this NOFA ("Documentation to Confirm the Correct Number of FSS Program Participants During the Target Period") and the number of FSS coordinators as shown in the "Cap on Number of Renewal Positions" column on Appendix D. For example, if the applicant has 33 families in its FSS program during this NOFA's target period, and the applicant's "Cap on Number of Renewal Positions" is 0.5, the client-to-staff ratio for this applicant will be determined using 33 FSS participants to 0.5 coordinators, for a client-to-staff ratio of 66:1.

The funding increase under this funding category will be based on the applicant's request subject to the

salary cap described in Section IV.F.1 of this NOFA ("Salary Cap"). Additionally, funding under this category is subject to the number of FSS families served eligibility requirement described in Section III.C.4.f "Eligibility Requirement: Number of FSS families served" of this NOFA . For example, if an applicant was funded in FY 2014 for 0.5 coordinator positions and is requesting a funding increase under this funding category to go to a full-time position, the applicant must have at least 25 FSS participants in its FSS program during the target period to be eligible for the increase.

Applicants will be funded under this category starting with applicants that have the highest client-to-staff ratio so that the applicant with the highest client-to-staff ratio will be funded first, then the applicant with the second highest client-to-staff ratio will be funded second, and so forth until funding runs out. For example, if applicant A has a client-to-staff ratio of 100:1 (the highest client-to-staff ratio) and applicant B has a client-to-staff ratio of 85:1 (the second highest client-to-staff ratio), then applicant A will be funded first and applicant B will be funded second, and so forth until funding runs out. If two or more applicants have the same client-to-staff ratio and funding is not enough to fund them all, then none of these applicants will be funded.

Funding Category 3: New Coordinator Positions for Eligible Applicants. If funding remains after all eligible applicants are funded under Funding Categories 1, and 2 above, funding will be made available to eligible applicants for a new FSS coordinator position(s) (positions that were not funded in FY 2012, FY 2013, or FY 2014). Funding for new coordinator positions under this category will be determined based on the applicant's client-to-staff ratio (as defined in Section I.A.3 of this NOFA; "Definitions"). This ratio will be determined as described under Funding Category 2 above.

HUD will fund new coordinator positions under this category in a round robin fashion starting with applicants that have the highest client-to-staff ratio so that the applicant with the highest client-to-staff ratio will be funded for one new coordinator position first, then the applicant with the second highest client-to-staff ratio will be funded for one new coordinator position second, and so forth until funding runs out. No applicant will receive a second new coordinator position until all other eligible applicants have received one new coordinator position, and so forth. For example, if applicant A has a client-to-staff ratio of 250 (the highest client-to-staff ratio) and applicant B has a client-to-staff ratio of 220 (the second highest client-to-staff ratio), then applicant A will be funded for one new coordinator position first and applicant B will be funded for one new coordinator position second, and so forth until funding runs out. If two or more applicants have the same client-to-staff ratio and funding is not enough to fund them all, then none of these applicants will be funded in that round. Additionally, applicants may only request and be funded for a new **full-time** position(s) under this category.

2. Corrections to Deficient Applications. The FY 2015 General Section (see Section V.B.3; "Corrections to Deficient Applications") provides the procedures for corrections to deficient applications. For timely completion of the review process, this NOFA establishes a 7 calendar day window for applicants to correct deficiencies; that is, clarifications or corrections of technical deficiencies in accordance with information provided by HUD in the email notification of a technical deficiency must be received by HUD within 7 calendar days of the date of the HUD email notification.

3. Unacceptable Applications. After the technical deficiency correction period, HUD will disapprove applications that it determines are not acceptable for processing.

C. Anticipated Announcement and Award Dates.

It is anticipated that award announcements will take place before September 30, 2015.

VI. Award Administration Information.

A. Award Notices.

Following the evaluation process HUD will notify successful applicants of their selection for funding. HUD will also notify all other applicants, whose applications were received by the deadline, that have not been chosen for award. Notifications will be sent by email, delivery receipt requested, to the person designated in item 8F of the SF424 and to the person listed as authorized representative in item 21 of the SF424.

Successful applicants will receive an award letter from HUD. The award letter will provide instructions about the steps grantees must take in order to access funding and begin implementing grant activities; funding will be provided via a grant agreement and through the LOCCS system.

Unsuccessful applicants will receive a denial letter from HUD that will state the basis for the decision.

Unsuccessful applicants may request an applicant debriefing subject to the instruction in the letter. (See Section VI.A.9 of the FY 2015 General Section ("Debriefing") for additional information regarding a debriefing.)

B. Administrative, National and Departmental Policy Requirements.

Certain Administrative, National and Departmental Policy Requirements apply to all HUD programs, including this NOFA. For a complete list of these requirements, see Section VI.B. of the General Section.

1. HUD's Strategic Goals. HUD is committed to ensuring that programs result in the achievement of HUD's strategic mission. The FSS program and this FSS NOFA support the Department's strategic goal of utilizing housing as a platform for improving quality of life.**2. Environmental review.** In accordance with 24 CFR 58.35(b)(2) and 50.19(b)(12), activities funded under this NOFA are categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and are not subject to environmental review under related laws and authorities.

2. Environmental review. In accordance with 24 CFR 58.35(b)(2) and 50.19(b)(12), activities funded under this NOFA are categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and are not subject to environmental review under related laws and authorities.

C. Reporting.

Please refer to Section VI of the General Section for a description of the general reporting requirements applicable to all HUD NOFAs.

1. PIC and VMS and MTW. Successful applicants must report activities of their FSS enrollment, progress and exit activities of their FSS program participants through required submissions of the form HUD_50058 on an annual basis. MTW PHAs will report using the form HUD_50058_MTW and any additional reports required for MTW reporting. HUD's assessment of the accomplishments of the FSS programs of PHAs funded under this NOFA will be based primarily on PIC system data obtained from forms HUD_50058 and HUD_50058_MTW.

For non-MTW programs, PHAs are reminded that the following lines of the form HUD_50058 are to be completed for each report: 17a., identifying FSS; 17b., FSS report category; 17c., FSS effective date of action; 17d., PHA code of PHA administering FSS contract; 17h.(1) through 17h.(6); 17i. Family services table for services received during FSS participation of family; 17j(1) through 17j(5), FSS Contract Information; 17k.(1) through 17k.(3); and, if the family exits, 17m. For MTW PHAs, comparable sections of the form HUD_50058_MTW are: 23a., 23b., 23c., 23d., 23h.(1) through 23h.(6), 23i., 23.j, 23k. and 23m.

See [Notice PIH 2011-65](#), and any subsequent amendments to the notice, for additional information on FSS reporting requirements in PIC. Also note that as of May, 2014, HUD established a set of warnings and

fatal edits related to FSS PIC reporting. A list of specific PIC FSS warnings and fatal edits can be found on the FSS webpage at the following address: http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/hcv/fss.

In previous years, the amount of HCV FSS escrow deposits, HCV FSS escrow forfeitures, and HCV FSS coordinator expenses were required to be entered in HUD's Voucher Management System (VMS). PHAs must continue to enter the amount of HCV FSS escrow deposits and HCV FSS escrow forfeitures into VMS. However, due to the combined funding streams starting with the FY 2014 FSS NOFA, PHAs will no longer use VMS to report HCV FSS coordinator expenses for funds made available under this NOFA. However, PHAs must continue to report HCV FSS coordinator expenses into VMS for any HCV FSS funds made available under the FY 2013 (or earlier) HCV FSS NOFA.

Also note that amounts expended in excess of the FSS grant for the FSS coordinator's salary and benefits (as well as additional costs associated with the administration of the FSS program such as office space, computer costs, office supplies, etc.), which are allocated to the HCV program must be reported in VMS as administrative expenses. PHAs with an FSS program serving both PH and HCV families with costs not chargeable to funds awarded under this NOFA will be required to develop a cost allocation method that allocates these expenses fairly between the two programs. See [REAC Accounting Brief #20](#) and any subsequent revisions for more information on how to record and account for FSS expenses.

2. Annual Performance Reports.

a. Logic Model. Each recipient is also required to submit a completed Logic Model showing accomplishments against proposed outputs and outcomes as part of their annual reporting requirement to HUD. Recipients shall use quantifiable data to measure performance against goals and objectives contained in the Logic Model (HUD_96010) submitted with the application.

In an effort to align reporting cycles and make reporting less burdensome, ALL grantees are required to submit an annual Performance Report consisting of the updated Logic Model (HUD_96010) and answers to the Logic Model Program Management and Evaluations Questions to the area ONAP/Public Housing Director in the recipient's local HUD field office no later than January 30, 2017, unless granted an extension by HUD, that covers program outcomes for the previous calendar year (i.e. 1/1/2016-12/31/2016). This is a change from prior year's instructions.

A narrative describing milestones, progress towards goals, and problems encountered and methods used to address the problems to support the data in the Logic Model is optional. Guidance for completion of the FSS logic model can be found on the FSS webpage at the following address: http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/hcv/fss.

b. SF-425. Grantees must also submit a completed Federal Financial Report, SF-425.

3. Racial and Ethnic Data. HUD requires that funded recipients collect racial and ethnic beneficiary data. It has adopted the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data. In view of these requirements, funded recipients should use Form HUD_27061, Racial and Ethnic Data Reporting Form (HUD Race Ethnic Form on Grants.gov), or a comparable form. Form HUD_50058, which provides racial and ethnic data to HUD's PIC data system, is a comparable program form that should be used by PHAs for reporting racial and ethnic data for FSS program participants.

Questions regarding specific program requirements should be directed to the point of contact listed in Section VII below.

VII. Agency Contact(s).

HUD staff will be available to provide clarification on the content of this NOFA. Please note that HUD staff cannot assist applicants in preparing their applications. Questions regarding specific program requirements should be directed to the point of contact listed below.

FSS@hud.gov

HUD often makes available FAQs and/or a webcast regarding the FSS NOFA; any such information will be available at HUD's Fund's Available webpage located at <http://www.hud.gov/offices/adm/grants/funds/avail.cfm>, or on the NOFA-specific page that may be accessed from that page. Applicants may also check HUD's webcast page at www.hud.gov/webcasts.

Following selection, but prior to award, HUD staff will be available to assist in clarifying or confirming information that is a prerequisite to the offer of an award by HUD.

Grants.gov provides customer support information on its website at <http://www.grants.gov/web/grants/support/general-support.html>. Applicants having difficulty accessing the application and instructions or having technical problems can receive customer support from Grants.gov by calling 1-800-518-4726 (this is a toll-free number) or by sending an email to support@grants.gov. The customer support center is open 24 hours a day, seven days per week, except federal holidays. The phone number above may also be reached by individuals who are deaf or hard of hearing, or who have speech disabilities, through the Federal Relay Service's teletype service at 800-877-8339.

For assistance with Sam.gov, applicants may contact the Federal Service Desk at 866-606-8220.

Questions concerning the General Section should be directed to the Office of Strategic Planning and Management, Grants Management and Oversight Division at 202-708-0667 (this is not a toll-free number).

Persons with hearing or speech impairments may access these numbers via TTY by calling the toll-free Federal Relay Service at 800-877-8339.

VIII. Other Information.

Paperwork Reduction Act Statement. The information collection requirements in this notice have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C.3501-3520). In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. Each Program NOFA will identify its applicable OMB control number unless its collection of information is excluded from these requirements under 5 CFR part 1320.

This NOFA does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction, or establish, revise or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this NOFA is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).

Appendix A: List of Common Mistakes

- 1. Expired System for Award Management (SAM) Registration.** During previous FSS competitions, several applicants were unable to successfully submit their application on time because of an expired SAM registration. Please note that SAM registrations must be renewed and revalidated at least every 12 months from the date the applicant last certified and submitted the registration in SAM, or sooner if the applicant's information changes. It takes 48 to 72 hours to complete the revalidation processes. However, obtaining an initial SAM registration can take up to four weeks; therefore, applicants should start this process or check their status immediately upon publication of this NOFA. For more information about SAM, please visit <https://www.sam.gov/portal/SAM/#1>.
- 2. File Attachment Names.** During previous FSS competitions several applicants were unable to successfully submit their application because of errors in their file attachment names. Please note that file attachment names longer than approximately 50 characters can cause problems processing packages in grants.gov. Also, avoid using any special characters (example: -, &, *, %, /, #) or spacing in the file names. If you need spaces in the name of your files, use the underscore (example: my_Attached_File.pdf) in naming the attachments. When submitting your application, please ensure that your file attachment names meet this criteria; otherwise, your application will be rejected by Grants.gov.
- 3. Not Checking Validation Status.** *Please remember that your application must be 'validated' by Grants.gov after it is 'received' by Grants.gov.* During previous FSS competitions, several applicants submitted their application to Grants.gov but did not check to ensure that the application was validated by Grants.gov. In some cases, the application was rejected by Grants.gov, and the applicant did not resubmit before the grace period ended, and the applicant was therefore not processed. As described in the FY 2015 General Section (Section IV.D.1.a 'Electronic Application Deadline') and in this NOFA (Section IV.C 'Application Submission Dates and Times'), your application must be 'validated' by Grants.gov after it is 'received' by Grants.gov. The applicant is responsible for tracking the application, as described in the General Section and in this NOFA.
- 4. Late Applications.** Applicants must successfully submit their applications prior to the deadline date as stated in the NOFA; otherwise, their applications will not be processed. The deadline date for application submission can be found on the first page of this NOFA.
- 5. Failure to Respond to Deficiency Notice.** Applicants will be notified when corrections or clarifications to their application are needed. The Department will notify applicants of a deficiency in two ways. Initially, the Department will send an email to the person designated in item 8 of the SF424 submitted with the application, to the person listed in item 21 of the SF424 as authorized representative, and to the person(s) designated in Part I.D of the HUD-52651 (FSS application form). These email notifications will be sent from the Department with confirmation of delivery receipt. The email notifications will be the official notification of the need to cure a technical deficiency. Secondly, as a courtesy, the Department will also send a fax copy of the email notification to the fax numbers identified for the individuals on the SF424. The fax notification is a courtesy copy only. It is the responsibility of the applicant to provide the Department with accurate email addresses and fax numbers for receipt of these notifications. The Department is not responsible for correcting an email address or fax number that was not entered into the SF424 (or HUD-52651) correctly. Applicants are responsible for monitoring their email accounts and fax depositories to determine whether a cure letter has been received and for notifying appropriate staff of the receipt of the fax promptly. If the applicant fails to correct technical deficiencies required for funding within the specified period of time, the application will be rendered unacceptable for processing. See Section V.B.2 of this NOFA ('Corrections to Deficient Applications') and Section V.B.3 of this NOFA ('Unacceptable Applications') for more information. Examples of items for which a deficiency notice will be sent are incomplete HCV/PH FSS Program Coordinator Funding Form (HUD-52651), and missing documentation to confirm the number of FSS participants, when required (see Section IV.B.1.a of this NOFA; "Documentation to Confirm the

Correct Number of FSS Program Participants During the Target Period").

Appendix B: Sample of Acceptable Documentation to Confirm the Correct Number of FSS Program Participants During the Target Period

Neighborhood Housing Authority

FSS Program Participants for 6/1/2014-5/31/2015

Total Number of FSS Participants: 34

	FSS Participant Name
1	Anderson, Vincent
2	Clark, Andrea
3	Coleman, Alana
4	Collins, Molly
5	Cooper, Eric
6	Evans, Whitney
7	Hall, Corey
8	Jackson, Scott
9	Lee, Allison
10	Lewis, Troy
11	Lopez, Maria
12	Park, Anna
13	Ramirez, Jorge
14	Rogers, Jada
15	Sanchez, Kimberly
16	Thomas, Alicia
17	Torres, Veronica
18	Ward, Amber
19	Brown, Emily
20	Cooper, Brandon
21	Davis, George
22	Martinez, Yolanda

23	Smith, Sara
24	Shawn, Taylor
25	Rodriguez, Luz
26	Johnson, Tina
27	Moore, Linda

29	Perez, Marta
30	Wilson, Erica
31	Smith, Jasmine
32	Williamson, Ruth
33	Franklin, Joe
34	Thomas, Paul

Appendix C: HUD-52651, Part II

Please note that this appendix is intended to illustrate how applicants applying for a funding increase for a part-time position that is increasing to a full-time position under funding category 2 would fill Part II of the form. However, all other form sections must also be completed as specified on the form and this NOFA.

Example: PHA A is requesting a funding increase of \$20,000 under funding category 2 for a part-time renewal position previously funded in FY 2014 for \$30,000 that is becoming a full-time position at \$50,000. PHA A would fill Part II of form HUD-52651 as follows:

PART II: Funding/Positions Requested by PHAs that are Currently Administering FSS Programs					
A. Previously Funded Positions					
Position Number	Salary Requested Per Position under this NOFA (Including Fringe Benefits)**	Indicate whether Full-Time or Part-Time	FY Last Funded	Salary Amount Last Funded	Is Applicant's Request Above Percentage Allowed in the NOFA (if applicable)? 'Y' or 'N'
1.	\$ 30,000	Part-Time	2014		
2.					

3.					
4.					
5.					
6.					
7.					
8.					
9.					
10.					
Total Salary Requested:	\$ 30,000				

B. New Positions – Positions not funded previously under a NOFA.

Position Number	Salary Requested Per Position under this NOFA (Including Fringe Benefits)**	Indicate whether Full-Time or Part-Time
1.	\$ 20,000	Part-Time
2.		
3.		
4.		
5.		
6.		
7.		
8.		
Total Salary Requested:	\$ 20,000	

Note: Please use the tables on page 8, Appendix A below if you need additional space for previously funded and/or new positions.

C. Total Requested

1.	1	Total number of positions requested in Part II (enter 0.5 for part-time positions)
2.	\$ 50,000	Total salary requested in Part II (add totals from Part II.A and Part II.B)

** Salary awards will not exceed the cap per position stated in the most recent NOFA.

D. Total number of families under FSS contract during the NOFA target period.

PHA Number	PHA Name	FSS Co-Applicants in Most Recent Funding Year	HUD Field Office Name	Number of FSS Participants (PIC Data)	Number of FSS Coordinators Supported by PIC Data (used for renewal position only)	Number of FSS Participants during the FY 2014 NOFA's target period (used only for applicants whose cap on renewal positions includes a part-time position beyond the initial position)	Cap on Number of Renewal Positions	Cap on Funding Amount for Renewal Positions
AK901/A K001	Alaska Housing Finance Corporation		Seattle Hub Office	286	6		4	\$267,642
