

# Connect with the Best

## The Housing Conference

Presented by NMA

This isn't your average housing conference. Inspired by the brightest minds in affordable housing, NMA is bringing the industry our best—expert panels, certification classes, round-table discussions, free one-on-one Q & A sessions, and a focus on the relevant, high-quality content for which we're known.

We're inviting decision-makers from agencies nationwide; don't miss your opportunity to connect with fellow leaders in the field. We're offering a limited number of sponsorships to select vendors.
